FINALE

Thank You!

To our incredible KDM family —

This show wouldn't be possible without each and every one of you. Dancers, your passion, dedication, and sparkle on stage are the heartbeat of Kay's Dance Movement. Watching you grow is the greatest joy. To our instructors and staff: your creativity, commitment, and countless behind-the-scenes hours bring this vision to life. I am so grateful for your love and leadership. Dance parents, thank you for trusting us, supporting us, getting our dancers ready and cheering loudly from the audience. Your encouragement fuels us all. Family, you live in this dance world with me every day, and your unwavering support, and helping hands are the foundation of it all. It truly takes a small army to pull off a show like this — and I'm lucky to have the best one. Tricia, you are simply the best, this wonderful world would not exist without you. Thank you to God for blessing us every single day.

**With all my heart,
Ms. Kay**
