

SWEET LOVE

Show me a river that's so deep
Show me a mountain so high
I'll show you love that lasts forever
Flying high, so high
Ah, show me a world where dreams are for dreamers
And all the things you wish come true
I wish the world had all happy people
Then there'd be no more wishing to do

Chorus:

Oh, oh, oh, oh, oh, sweet love
Oh, oh, oh, oh, oh, sweet love
Oh, oh, oh, oh, oh, oooh
Ooooooooooh, oooh, oooh, oooh, oooh, oooh
Sweet, sweet love

Sun shines over a rainbow
High on a hill
Take a ride on a magic carpet
And you'll know it's for real
The world is filled with all the lonely people
Trying to find their way
All they need is a hand
To guide them to a brighter day

Chorus

Sweet love that comes through the ages
Reach out and touch my soul
Give my life so much meaning
And everyone a heart of gold

Chorus

I know you're searching
I know you're searching for that love
A little peace and understanding
And I know it's been hard trying to find your way
But you gotta keep on searching harder day by day
'Cause I want you to stand on up
And put a little love in your heart
And a little heart in your love
Together we can make a way
Don't ever wonder too hard of what I'm trying to say
'Cause it's love. Love's the only way

Chorus

SWING LOW, SWEET CHARIOT

Swing low, sweet chariot
Coming for to carry me home
Swing low
Sweet chariot
Coming for to carry me home
Swing down chariots won't you let me ride, oh
Swing, stop and let me ride
Oh, ride me, rock me, Lord
Oh hey
I got a home on the other side
Oh, six white horses standin' side by side

Oh, sing, sing
Rock me, rock me
I got a home, hey
Swing low, sing low and let me ride

Why, oh why, oh why don't you let me ride
Ride, ride, ride ride ride
Let me ride, let me ride, let me ride
Swing down chariots, won't you let me ride
Oh swing, stop and let me ride
Rock me Lord, rock me, Lord, hey

I got a home
You got a home
We got a home
I got a home
I got a home
You got a home
We goin home
Goin' home
Let's love
Sweet love
Sweet chariot
Take me home
Take me home
I'm going home

BRING ON THE RAIN

Another day has almost come and gone
Can't imagine what else could go wrong
Sometimes I'd like to hide away
Somewhere and lock the door
A single battle lost but not the war

'Cause tomorrow's another day
And I'm thirsty anyway
So bring on the rain

It's almost like the hard times circle 'round
A couple drops and they all start coming down
Yeah, I might feel defeated
I might hang my head
I might be barely breathing
But I'm not dead

'Cause tomorrow's another day
And I'm thirsty anyway
So bring on the rain
No, I'm not gonna let it get me down
I'm not gonna cry
And I'm not gonna lose any sleep tonight

'Cause tomorrow's another day
And I am not afraid
So bring on the rain
Tomorrow's another day
And I'm thirsty anyway
So bring on the rain

Bring on, bring on the rain
No, I'm not gonna let it get me down
I'm not gonna cry
So bring on the rain
