

### THAT'S ALRIGHT

My my mother, how you walking light  
Your feet may slip and your soul may lull  
My soul gonna sit up in the kingdom  
That's all right

That's alright, that's alright  
That's alright, it'll be alright  
My soul's got a seat up in the kingdom  
That's alright

Jacob's ladder, so long and tall  
You ain't got God, so you're sure to fall  
Since my soul gonna sit up in the kingdom  
That's all right

That's alright, that's alright  
That's alright, it'll be alright  
My soul's got a seat up in the kingdom  
That's alright

One of these mornings, it won't be long  
Gonna look for me, Lord, and I'll be gone  
Gone up to heaven to sing and shout  
Ain't nobody there gonna put me out

I'll talk with the Father, and chat with the Son  
Tell 'em all about the world that I came from  
Since my soul got a seat up in the kingdom  
That's all right

That's alright, that's alright  
That's alright, it'll be alright  
My soul's got a seat up in the kingdom  
That's alright

### JUST AS I AM

Just as I am, without one plea  
But that thy blood was shed for me  
And that thou bidd'st me come to Thee  
O lamb of God, I come, I come

Just as I am, tho' tossed about  
With many a conflict, many a doubt  
Fightings and fears within, without  
O lamb of God, I come, I come

Just as I am, Thou wilt receive  
Wilt welcome, pardon, cleanse, relieve  
Because thy promise, I believe  
O lamb of God, I come, I come

### GLORIA PATRI

Glory be to the Father  
Glory be to the Son  
Glory be to the Spirit, three in one  
As it was in the beginning, and will be forever  
Amen, Amen, Amen

### SEE THE DAY

I wanna see the day when justice rolls  
Like a mighty river floods out of control  
May that day be today when together we say  
Let justice, let justice roll  
Let justice roll

I wanna see the day love shakes the ground  
And the walls that separate come tumbling down  
May that day be today when together we say  
Let love, love shake the ground  
Love shake the ground

I wanna see the day when we stand tall  
And the heavy hand of oppression's finally gone  
May that day be today when together we say  
Precious Lord, come lead us on  
Come lead us on  
Precious Lord come lead us on  
Come lead us on

May that day be today when together we say  
Precious Lord, come lead us on
