

THE PART WHERE YOU LET GO

When the rain breaks the road
Are you holding on
Are you holding on
To your last good day

When the stone breaks the wheel
Are you holding on
Are you holding on
'Til the stone rolls away

And I don't know
Is this the part where you let go
And tumbling out of a window
Is this the part where you find out
I'm there for you

When the sun leaves the field
Are you holding on
Are you holding on
To the last sweet light

When the flame leaves your eyes
I still see you there
I still see you there
On your darkest night

And I don't know
Is this the part where you let go
And sinking under a shadow
Is this the part where you find out
I'm there for you now

As your hand's breaking free
I am holding on
I am holding on
As you've held on to me

And I don't know
Is this the part where we let go
Tumbling out of a window
Is this the part you're there for me

And I don't know
Is this the part where you let go
And sinking under a shadow
Is this the part where you find out
I'm there for you
You find out I'm there for you
You find out I'm there for you

LOVE DIVINE, ALL LOVES EXCELLING

Love divine, all loves excelling
Joy of heaven to earth come down
Fix in us thy humble dwelling
All thy faithful mercies crown
Jesus, thou art all compassion
Pure unbounded love thou art
Visit us with thy salvation
Enter every trembling heart

Breathe, O breathe thy loving Spirit
Into every troubled breast
Let us all in Thee inherit
Let us find that second rest
Take away our love of sinning
Alpha and Omega be
End of faith, as its beginning
Set our hearts at liberty

Finish, then, thy new creation
Pure and spotless let us be
Let us see thy great salvation
Perfectly restored in Thee
Changed from glory into glory
Till in heaven we take our place
Till we cast our crowns before Thee
Lost in wonder, love, and praise

GLORIA PATRI

Glory be to the Father
Glory be to the Son
Glory be to the Spirit, three in one
As it was in the beginning, and will be forever
Amen, Amen, Amen

YOU SAY

I keep fighting voices in my mind
That say I'm not enough
Every single lie that tells me
I will never measure up
Am I more than just the sum of
Every high and every low
Remind me once again just who I am
Because I need to know

Chorus

You say I am loved when I can't feel a thing
You say I am strong when I think I am weak
You say I am held when I am falling short
When I don't belong, you say I am yours
And I believe, I believe
What you say of me
I believe

The only thing that matters now
Is everything you think of me
In you, I find my worth
In you, I find my identity

Chorus

Taking all I have and now
I'm laying it at your feet
You have every failure, God
You'll have every victory

Chorus

Oh, I believe
Yes, I believe
What you say of me
Oh, I believe
