

COME, HOLY SPIRIT, HEAVENLY DOVE

Come, Holy Spirit, heavenly dove
With all thy quickening powers
Kindle a flame of sacred love
In these cold hearts of ours

In vain we tune our formal songs
In vain we strive to rise
Hosannas languish on our tongues
And our devotion dies

And shall we then for ever live
At this poor dying rate
Our love so faint, so cold to thee
And thine to us so great

Come, Holy Spirit, heavenly dove
With all thy quickening powers
Come, shed abroad the Saviour's love
And that shall kindle ours

WE ARE ONE IN THE SPIRIT

We are one in the Spirit
We are one in the Lord
We are one in the Spirit
We are one in the Lord
And we pray that our unity
May one day be restored

Chorus

And they'll know we are Christians
By our love, by our love
They will know we are Christians
By our love

We will work with each other
We will work side by side
We will work with each other
We will work side by side
And we'll guard each one's dignity
And save each one's pride

Chorus

All praise to the Father
From whom all things come
And all praise to Christ Jesus
His only Son
And all praise to the Spirit
Who makes us one

Chorus

GLORIA PATRI

Glory be to the Father
Glory be to the Son
Glory be to the Spirit, three in one
As it was in the beginning, and will be forever
Amen, Amen, Amen

HEAVENLY FATHER

Ever since I heard the howling wind
I didn't need to go where a Bible went
But then you know your gifts seemed heaven sent
Just lead me to a choler, dad, that's the thing

I don't know how you house the sin
(But you're free now)
I was never sure how much of you I could let in
(And I'm free now)
Won't you settle down here where your love has been
Heavenly father, it's definitely lava
Why you don't carry other names

Heard about a day where it dropped the know
To go another day as we learn to close
Cause I'm a known coward in a coward wind
(But you're free now)
You turn around now and you count to ten
(To see you go now)

Well I know now honey that I can't pretend
Heavenly father, is whose brought to his autumn
And love is left in end

I just been up here for so many years
(Can you see now?)
Filling up hulls with such bad fears
(I am free now)
I know about it darling, I've been standing here
Heavenly father, is all that he offers
A safety in the end
