

WADE IN THE WATER

Chorus

Wade in the water
Wade in the water children
Wade in the water
God's gonna trouble the water

Who's that young girl dressed in red
Wade in the water
Must be the children that Moses led
God's gonna trouble the water

Chorus

Who's that young girl dressed in white
Wade in the water
Must be the children of the Israelites
God's gonna trouble the water

Chorus

Who's that young girl dressed in blue
Wade in the water
Must be the children coming through
God's gonna trouble the water

Chorus

You don't believe I've been redeemed
Wade in the water
Just see the Holy Ghost looking for me
God's gonna trouble the water

Chorus

JOYFUL, JOYFUL, WE ADORE THEE

Joyful, joyful, we adore Thee
God of glory, Lord of love
Hearts unfold like flowers before Thee
Opening to the sun above

Melt the clouds of sin and sadness
Drive the dark of doubt away
Giver of immortal gladness
Fill us with the light of day

All thy works with joy surround Thee
Earth and heaven reflect thy rays
Stars and angels sing around Thee
Center of unbroken praise

Field and forest, vale and mountain
Flowery meadow, flashing sea
Chanting bird and flowing fountain
Call us to rejoice in Thee

Mortals join the happy chorus
Which the morning stars began
Love divine is reigning over us
Joining all in heaven's plan

Ever singing march we onward
Victors in the midst of strife
Joyful music leads us sunward
In the triumph song of life

GLORIA PATRI

Glory be to the Father
Glory be to the Son
Glory be to the Spirit, three in one
As it was in the beginning, and will be forever
Amen, Amen, Amen

EVEN THIS IS GOING TO PASS

Rain clouds rain until they're dry
Morning steals the evening sky
Though it feels this sorrow is here to last
Even this is going to pass

Storms that rage upon the sea
Return to a gentle breeze
Then the wind picks up
To fill the mast
And even this is going to pass

The moment will go by
From what is to what was
We look back on the hard times
We look back on old love
And what we remember
Is what we gave without ask
And even this is going to pass

All the secrets held will be revealed
And the sickness now
Will one day be healed
Like every burning fire
Turns to ash
Even this is going to pass

The moment will go by
From what is to what was
We look back on the hard times
We look back on old love
And what we remember
Is how it all went so fast
And even this is going to pass
