Answer: Dear Sir, With due respect, I would ask you for the transfer of my account from the current branch to your branch located in (Address and area name) that I have moved from (City Name to New City Name) and it will be more convenient for me to manage my account operation from the aforementioned branch.2) Can we transfer the bank account online? Answer: Yes, it is possible to transfer the bank account online. However, most of the banks in India do not have this facility. Only the major banks here have this facility. Such as SBI, HDFC.3) How long does a bank account transfer? Answer: It will not be possible for us to say this because it depends entirely on your bank. However, this process takes at least 12 to 16 days to complete.4) What to do after transferring your SBI bank account to another branch? Answer: Once you received confirmation from your current home branch either from the direct bank or through an SMS or Email then you must visit your new bank branch. (now confirmation takes a maximum of 3-5 days from SBI, PNB) In the new branch update your old bank passbook with the new address of the bank or get a new passbook and then enjoy your banking facility with your new home branch.
