Please do not post personal information. Colleen Bowers sent me a package last night to the which tracking address stating it was sent but the recipient never received it. I tried calling Larchmont's main post office before they closed but no one answered. It's important this package is found because it's an important document. Please call me at 412-498-3392 or by email. I need this package tracked! 2 months ago • Reply Alina Tugend -3 I know larchmont post office is very aware many of us are having trouble getting mail - we on Kenmare Road haven't received a letter since the day before the blizzard. When I spoke to someone at the Larchmont post office, I was told only two operators showed up for work and they couldn't send all the emails. I appreciate the explanation and the local post office may have little control over hiring or dismissal, but is there no system for hiring substitution workers? I think most of us find it amazing that the answer to this problem seems to be shrug. I think someone from the local, regional or state USPS should hold a meeting in our area to explain how this happened, if this is an extraordinary time for some reason, or because of budget cuts, can we expect more failures of sending these letters in the future? 3 years ago • Reply hanna grynycwaig Our delivery has been spotty, a few days no one then stacks. Many wrong addresses are sent to our homes. What's going on????? 3 years ago • Reply Deborah Novick 1 I have called Morning. No one ever picked up the phone. We haven't had a mail delivery since Monday. Today is Friday. What's going on there? Is Ernie okay? 3 years ago • Balas ELISABETH KLUFER I live on Eton Road in LARCHMONT. EVERY HOMEOWNER IN ROAD IS GOING TO IKE TO ASK A DIFFERENT POSTMAN SO WE CAN GET OUR MAIL 6 DAYS A WEEK, AND PACKAGE ON TIME. HOW SHOULD WE PROCEED? 3 years ago • Reply *postallocations.com not part of, or affiliated with, the official United States postal service (USPS).
