

# ***I NEED a girlfriend***

\*Student on stage alone with cell phone in hand

**Student:** I need a girlfriend, I need a girlfriend – How am I going to get a girlfriend

\*Leader walks on stage

**Leader:** Hey (student's name)

**Student:** Oh – Hey captain (leader's name)

**Leader:** What are you doing? I heard you saying something about a girlfriend. Do you have a girlfriend?

**Student:** No, I don't have a girlfriend but I need to get one.

**Leader:** Wait – why do you need to get a girlfriend?

**Student:** (leader's name)! Two days!

**Leader:** What's in two days?

**Student:** The LOVE HOLIDAY! – VALENTINES DAY!

**Leader:** I know Valentine's day is in two days because I bought my hot girlfriend something special (show pic on screen of hot girlfriend).

**Student:** (Leader's name) – can you give me some advice on how to get a girlfriend? Like maybe I can get a girlfriend tonight (looks out at audience).

**Leader:** I don't think you need a girlfriend.

**Student:** Fine. I will just ask Siri. She loves me and she will give me advice.

**Leader:** You are going to ask Siri for advice?

**Student:** Yes – she gives me good advice all the time.

**Leader:** What was the last good advice that you received from Siri?

**Student:** Well Siri recommended this shirt (wearing a hideous shirt).

**Leader:** Wow! And you are going to trust Siri with relationship advice?

**Student:** (To Siri) – Siri, how can I get a girlfriend by Valentine's Day?

**Voice off stage:** I'm sorry I don't have an answer for that. Let me look it up.

**Student:** (To Siri) – Siri, I NEED GIRLFRIEND FAST

**Voice off stage:** Ok just so I understand you – You need girls depends fast. Let me look that up. I found 5 locations fairly close to you where you can buy girls depends.

**Student:** NO! GIRLFRIEND NOT DEPENDS! WHY WOULD I NEED ADULT DIAPERS?!?!

**Leader:** (Student name), maybe you don't actually "need" a girlfriend – or depends. Why do you think you need a girlfriend?

**Student:** Well, at school I always see boys and girls exchanging gifts – flowers, candy and I want to do that. I mean a girlfriend is nice to have – and just look at me – any girl would be lucky to have this (points to himself).

**Leader:** Ok, I understand that some at your school have relationships, and yes you are a nice guy, and sure girls would be lucky to have you - but (student's name) – You don't NEED to have a girlfriend relationship. Someday, sure – but don't feel like you need to have a girlfriend by Friday.

**Student:** Hmm.....well.....But I already bought a Valentines gift (shows box of chocolates).

**Leader:** You bought a Valentine's day gift for a girlfriend that you didn't have yet?

**Student:** I was optimistic. But maybe I don't "NEED" a girlfriend – and this chocolate was expensive.

**Leader:** So now what are you going to do with it?

**Student:** Well...It's CHOCOLATE! I'M GOING TO EAT IT! Do you want some?

**Leader:** I don't know let me ask Siri if I want some.

Leader and Student exit stage as they talk about how good the chocolate will be.
