**Hope Closet Ministry:** Have you been thinking you would like to know more about how the Hope Closet works? We are offering a special workshop to see firsthand how we process and distribute clothing to our Hope Closet families, and what is involved in keeping the closet running smoothly. This workshop will include a brief orientation and some hands-on experience. It's a perfect opportunity for those who want to "try it out" before volunteering, or for those who don't have time to volunteer right now, but would like to know more about this ministry. Join us--on **Sunday, February 11 following the 10:00 a.m. service.** We'll meet in the Hope Closet area for 45-60 minutes shortly after the 10:00 service ends.
