AFM CHRISTMAS BLESSING CATALOG

In everything I showed you that by working hard in this manner you must help the weak and remember the words of the Lord Jesus, that He Himself said, 'It is more Blessed to give than to receive.' (Acts 20:35)

AFM Mercy Foundation School of Kenya: Gift opportunity- Each child needs a new uniform and each uniform costs about \$10 ea. What they are wearing now is over a year and half old and tattered. There are 130 orphans that are needing a uniform which is about \$1300 total in need here. Here is a great Christmas gift opportunity to buy some very poor children at our Christian school in Kenya some needed clothing. These uniforms are worn for well over a year. One is all we can afford, and they wear the same one every day.

AFM Mercy School kids and JFM Churches: They are celebrating their three year anniversary and we would

like to bless them with food and gifts for the children. Total cost for the celebration is \$500. There are 130 children at the school, to support one child with a gift and food it would be \$4.00. Are you able to bless a few children in Africa for Christmas?

Pastor Samson Walala's a long time AFM supported Western Kenya pastor has a big heart for orphans in need. His church and Orphan ministry of Kenya needs our help to celebrate Christmas this year:

AFM wants to sponsor a Christmas blessing of a small gift, dinner and treats for 15 orphans. Needed is \$300 or \$20 per child before Christmas.

Nagavath Ganesh AFM/BBC ministries Christmas Gospel Outreaches of central India:

Two Christmas needs.

1- Showing of 2 Jesus films and Christmas love feasts to minister to the unreached Hindu people. \$300 (sponsor one outreach program for \$150 or half for \$75) Many are coming to Christ through these missions!

2- Nagavath's mission Church to the Gypsy Banjara tribe in rural India. Help for a Church building reconstruction project. (Floods the collapsed walls):

\$400 would complete this project for these very poor "Dalit" outcasts of India, who are dealing with a double dose of persecution being poor and now many in this village trusting in Jesus Christ as Son of God and Lord.

Pastor Gonzolo Nores Noe:
Northern Peru poor children:

Outreach event to distribute small toys and celebrate Christmas with chocolates and treats and learn about the true meaning of our Emmanuel and hope in him. This will bless about 200 kids and their families if we can raise \$200 for them. One dollar per child puts a smile on their faces for Christmas! Be the blessing of Christ to these little ones south of us in Peru!

AFM Nepal Orphanage-
Pastor Ram Babu: \$3000 for
 lumber to construct doors,
 windows and other internal
 structures so walls can be
 completed out of brick. **THIS**
IS AN URGENT NEED BY
DEC 31. These orphans are
 being displaced and will have
 no home if this need is not
 met. Looking for generous
 donors that can possibly split
 this need.

Shown here is Ram's wife Maya and the kids they currently support, but many more will be helped once we have the space.

AFM Church and Orphanage of India-
Pastor Manikumar Gude: Christmas
 outreach program, Christmas special
 meal and gifts of clothing for their 12
 orphans. We are praying to raise \$300
 for a Christmas blessing to them. Help
 one child for \$25. Will you open your

 God?

John Tino Maasai Ministry of Kenya: John needs help with his USA mission . Traveling expenses of \$1500 is needed for Pastor John Tino to travel to the USA to tell people of the Maasai people and how to serve Christ through this ministry. Any amount you can donate is greatly appreciated.

Maasai Widows Ministry: The widows would be greatly helped to support themselves through the purchase of a Posho Mill (gasoline corn grinding mill.) AFM is wanting to help them raise \$1500 to make this happen and help them produce some sustainable income also.

Maasai Children's ministry: Christmas dinner and treats for both AFM Maasai supported church school children, about 300 kids in all. \$1 per child will help us make their Christmas time special this year. \$300 needed in all.

Pastor Munir Sajid of Pakistan:

Pastor Munir each year organizes his local Church to put together Christmas care packages of food, gifts and messages about Jesus and distributes them to the needy children of his local villages in Pakistan. Many of these are Muslim and unsaved families who love to receive Christmas gifts even so.

A donation of \$5 will provide a child with one of these love filled Christmas gift boxes and the need is endless, so the more we receive, the more Munir will pack up and give. He is praying for all the help we can give. These will be given by Christmas so give soon and allow his people to build these Shoe-box Christmas blessings for the Children of the communities in need, where as the Larger international

ministries rarely get their gifts to the kids by Christmas due to shipping delays. These will arrive in time!
