A Word from Pastor Christy

UNITY SUNDAY

10:45 am – Sanctuary

John 17: 20 – 22 "... I pray also for those who will believe in me through their message, that all of them may be one, Father, just as you are in me and I am in you.....I have given them the glory that you gave me, that they may be one as we are one."

Unity / Oneness – The definition of unity is: the state of being one; the quality of being one in the spirit, purpose, harmony; a unified group for a common purpose.

Although at Cairo First UMC, we have three separate worship services on Sunday morning, we are ONE {Cairo First UMC}. Even if the style of worship is different at the varied services, we are ONE body as we Worship God. WE are all a part of the various ministries and missions that flow in and through Cairo First UMC. Whether it is responding to the needs of the local community with food and assistance with utilities or the needs of the youth and children at Vashti and the Methodist Home, or the needs of those who experience natural disasters nationally or globally, WE are ONE Church united to Glorify Our Heavenly Father.

Come join us this Sunday, September 30th for a Unity Service that combines either the persons and/or elements of each Worship service at 10:45 am in the Sanctuary. A time of Fellowship and sharing of God's Love will be offered at 9:45 am in the Fellowship Hall to provide an opportunity to renew friendships and meet new friends who attend worship at a different time whom you may not normally see. Sunday school classes will maintain their schedules.

Mission emphasis – Bring non-perishable food items on combined / joint (Unity) Sunday Worship. The items will be given to the Grady County Help Agency to assist those in need.

See Each of You at OUR Unity Service this Sunday!

Pastor Christy

CHILDREN'S MINISTRY

NEWS FROM...JODI

email: jdforgione@gmail.com
text: 229.263.1350

SUNDAY EVENING the kids learned that if they spend time with Jesus and are filled with living water they will not POP when things don't go the way they want them too. Our experiment was, if you hold a blown up balloon over a lit flame it will pop but if you hold a blown up balloon with water in it over the flame it will not pop. We want to be filled with living water so we don't pop like the balloon without water! We would love to have you join us if you missed last week.

Looking ahead: Trunk or Treat, Oct. 24th. Start thinking how you might decorate your trunk! (There may be a prize for best decorated trunk!)
