July 8th, 2018

So far, it's been a hot and dry summer here in this part of Arkansas. The grass is turning brown, the garden, and the crops are requiring water in order to stay alive and produce the desired harvest.

Our lives as a Christian can go like that as well. We go into seasons of our lives where it seems hot and arid and we are somewhat lifeless and not producing the fruit that God desires from our lives. What we need to remember is that the Holy Spirit dwells within all believers and will do a work in our lives when we are ready to yield to God's will. When the Spirit gains control once again, it will be to our spirits like a fresh rain is to a garden or a crop. Our lives will be energized again, and we will have a great desire to fulfill God's purpose for our lives. In order to accomplish this, we must follow the example of Jesus who gave up everything He had in heaven to live as a human being here on earth. The bible says that "He humbled Himself" and that is exactly what we need to do. We must give ourselves to God which means our way becomes His way. It will work out much better for you and for your life. Experiencing some draught like conditions in your life today? Give it all to Jesus and He will make your sorrow into joy.

I am thankful for the unconditional love of my Lord. I am glad to be your pastor.

Bro. Glen

“And being found in human form, he humbled himself by becoming obedient to the point of death, even death on a cross.”

– Philippians 2:8
