Adult Sunday School 8 AM

Worship Service 9 and 10:30 AM

What an amazing day this past Sunday! The stories you told were the message of the Lord. We looked back on 2017 and told how God was faithful. It provided encouragement for us to look forward into 2018 for all He has planned. It was a great day!

I have not sat at the beginnings of a new year with greater anticipation than I have for this year. With no idea what the Lord has planned, all I know this will be an exceptional year of God's favor. There will be changes, challenges and progress made toward our new building.

Life would be much easier if God would give us a schedule so we could follow what He's doing, but it is far more interesting to live by faith, believing in what we cannot see, knowing the steps will be there when we walk into the unknown. **Join me in walking in faith this year.**

From this past Sunday: Trust in the Lord with all your heart. Lean not on your own understanding but in all your ways acknowledge Him and **He will direct your paths.** (Prov 3:5-6)
