

I know we are still wondering how long we will be restricted from gathering together in worship at our branch of Zion. However long the closure, we must still remember that even with all the rhetoric from the White House, from Congress, our bill collectors and other finance institutions, our responsibilities are to still honor our debts.

All the legislation being worked on in Congress will not benefit Shiloh. Therefore, I feel that we must be reminded of our responsibility to support our church. The lights are still coming on, heat is still necessary, water and sewage still flowing, and mortgage to pay. It's still on us.

Those who wish not to wait until we reassemble may meet their obligation by using the instructions printed below to continue giving.

As Church Leaders, I ask that you pass this information on to your various Ministries.

Online giving can be reached by our members desiring to continue giving during this time of closure. This can be done by the following:

- Through the church webpage: www.shilohnewsite.com.
 - The church picture will appear and at the bottom of the page, there is a box which says on line giving. The members simply have to **follow the prompts**.
- You can also mail your envelope with your giving to
 - PO box 93, Fredericksburg, VA 22404
- Or it can be dropped off at the "Green Building," by putting your offerings in an envelope and putting in the letter drop box at the door of 513 Princess Anne Street and it will be collected by a Trustee, or Pastor and given to the Finance Ministry for their contribution record.

I believe that by doing this everyone will have the correct information on giving.

Pastor Parrish
