

Prime

Prime exists to assist seniors in becoming passionate followers of Jesus in the prime of life.

Prime's Mission and Purpose

Prime is the name for Bright Hope's ministry for people 60 years and better (give or take a couple years)! This is the prime of life & we have the ability to demonstrate that with wisdom, knowledge, grace, fellowship, and service toward each other & toward others in our church and community. Our purpose is to assist seniors in becoming passionate followers of Jesus in the prime of life.

The Scriptural foundation for Prime is Psalm 92:12-15.

*The righteous flourish like the palm tree and grow like a cedar in Lebanon.
They are planted in the house of the Lord; they flourish in the courts of our God.
They still bear fruit in old age; they are ever full of sap and green,
to declare that the Lord is upright; He is my rock, and there is no unrighteousness in Him.*

Prime's Ministry Goals

Fellowship & Social Activities

Prime will strive to get together on a monthly basis in order to build new relationships and strengthen current ones. We will do this through gathering in one another's homes, at the church, in small groups, at restaurants, and by having various outings through the course of the year. We are open to any suggestions you may have, and encourage you to be involved in planning and carrying out any activities of Prime.

Church Service

Prime participants desire to model active service in the church. Mentoring of younger men and women is critical to the success of our local church. This is not a time for us to sit back and let others take over...it is time for us to step up and use our time for the sake of His Kingdom, and to spur others on in their leadership and service roles as well. We will actively seek ways in which we can lead and train, we will desire to study God's Word & pray together and individually & to serve as volunteers within the various ministries at Bright Hope.

Community Service

Prime values being active in service. We will seek ways to get involved in our community in order to build relationships, share the Gospel of Jesus Christ, and impact our neighborhoods for the Kingdom of God.

If you are interested in being a part of Prime, please contact:
