Church Affiliation:

Bright Hope is a biblical, non-denominational, community church because we believe that the Scripture best represents the model of a "community" (Acts 2:41-48) of like-minded people who gather together in the love and grace of God. Bright Hope is made up of people who are members,

regular attenders and guests who come from very diverse church and denominational backgrounds and also people who have had no church background at all. We don't stress nor do we "stress over" denominational backgrounds but we respect where people are coming from. We realize that we are all in process in our spiritual journeys and need to show the grace of God to one another while being guided by the truth of the Bible.

Our Story:

Bright Hope Community Church (BHCC) started in the fall of 2000 when a group of born-again believers began meeting in individual homes. We were led by God to organize a new grace-oriented, Bible-believing church in the Butler area. We officially organized and received our incorporated legal status from the State of Pennsylvania on January 31, 2001. At that time, the church was named Bright Hope Baptist Church (BHBC), and was led by interim pastor, Brian Eichelberger from March – September 2001.

In December 2001, Paul Hoover was called by BHBC as Interim Pastor. Then in May 2002, Pastor Hoover became BHBC's first full-time pastor. In October 2003, BHBC voted to change its name to Bright Hope Community Church (BHCC) for the purpose of better representing a philosophy of community-oriented ministry. BHBC/BHCC met at the local YWCA for a period of about 4 years. After a 2 ½ year search for a facility, BHCC relocated to 4101 Highland Avenue, Butler, PA (in the community of Meridian). We closed on this property on July 15, 2005. One year to the day that we closed on our property, July 15, 2006, we held our first worship service together at Bright Hope Community Church in Meridian, our new home! In 2010 we purchased the adjoining property. After much hard work and renovation, we were able to open "Bright House" for ministry purposes! Different from any other church in Butler, BHCC is a small church that does big things. Fellowship, family, intimacy, grace-oriented, heart-focused, growing in the grace and knowledge of Jesus through biblical worship and teaching...these are words and phrases that we believe describe well our church's desire to do things that the church is called to do, and to do them within the unique construct that God has provided for us. We certainly aren't a perfect church, but we are church that pursues our perfect Savior with a hunger and thirst that is insatiable. We encourage others to come to Bright Hope in order that they may "Find Hope, Find Life".

Church Demographics:

Bright Hope consists of approximately 65 Family Groups/Singles. There are 114 active members of BHCC, 210 attenders (including members), and an average 12-month weekly attendance of approximately 125. Approximately 60% of members have been members for 10 or more years. Our age demographic is approximately as follows: 17 and under (35%); 18 to 29 (15%); 30 to 39 (10%); 40-49 (15%); 50-59 (15%); 60+ (10%).

Those who attend provide the following as the top 3 reasons they attend BHCC: Worship; Preaching and Teaching; Fellowship.

Finances: BHCC's 2018 budget is \$175,000. Each year of Bright Hope's existence, our annual budget needs have been met by our giving. We have borrowed a total of approximately \$350,000 for the acquisition and remodeling of properties and facilities located at 4101 and 4103 Highland Avenue. There is currently approximately \$95,000 remaining on this mortgage. We have been exploring various needs in the area of facility enhancement and/or expansion and have recently acquired a loan of \$125,000 for these purposes. The major parts of this building project are currently on hold as we seek a new pastor, while smaller enhancements may be completed in the near future. As of 6/30/18, BHCC has a total of \$227,600 in savings and checking (this amount includes a deposited loan amount of \$125,000).

Church Vision & Values:

The stated purpose of BHCC is to introduce people to Jesus Christ and to assist believers in becoming passionate followers of Him.

We see BHCC as a local church that God has raised up to focus on impacting the people of Butler and the surrounding areas, and that is involved in reaching people with the Gospel.

We prioritize spiritual growth at BHCC by teaching, equipping, and supporting believers for meaningful relationships with God and others and for service and outreach. We desire first to strive for spiritual health and depth within our local body, and the natural progression will result in numerical growth. We also envision a generation of new leaders raised up who will continue to duplicate and expand our vision.

The result of moving believers at BHCC toward maturity and Christ-likeness will be to see our church proficient in biblical truth and motivated to intentionally share Christ in our community and beyond.

The outcome will be seen in people transformed by the Gospel. The power and influence of Christ in the lives of individuals and families will be realized in homes, communities, workplaces, schools, and governments.

As Bright Hope continues to grow spiritually and numerically, and when the time comes that BHCC could adequately staff another ministry, we would like to multiply by birthing churches that are like-minded with the same purpose and vision that BHCC now maintains.

We value the following: the clear teaching and application of the Bible; prayer and intimacy with God; people and relationships; authentic worship; purpose-driven ministry; every member as a minister; relevance; excellence and creativity.

Missions & Outreach:

We are committed to missions locally and abroad. We currently support 3 missionaries abroad and 2 local ministries. We have various members who participate in short-term mission trips that are encouraged by the church. Our goals include becoming more mission-minded locally, nationally, and internationally, and to enhance the role of our current Missions Coordinator to encourage more mission involvement from our

members and attenders. We annually host a booth at the Butler Ethnic/Community Festival where we distribute Bibles and literature and carry on meaningful spiritual conversations with the people of Butler. We would like to develop new means of community outreach. We have baptized an average of 5-10 believers per year.

Worship Service:

At 10:45 Sunday morning at Bright Hope, you would find people from many different walks of life, dressed in casual clothes or their Sunday best, carrying a Bible, enjoying interaction and fellowship as well as a cup of coffee, joining together in primarily contemporary worship, Scripture reading, giving, and in-depth Bible teaching. Our greeting team will welcome you. We utilize a full praise team to lead worship. This team consists of acoustic and electric guitars, bass guitar, drums, piano, violins, cello, vocal team, and sound techs. While various translations are used personally, we have adopted the ESV as our translation of choice for preaching and teaching. Our people have shared that they enjoy a variety of styles of preaching including, but not limited to expository, topical, relational, engaging, practical, and application-based teaching. Sermon lengths tend to range from 35 to 50 minutes in a worship service that runs from 10:45 until 12:00ish. During this time, kids church is also offered for children age 3 through Grade 4. A staffed nursery is also provided for ages 0-2.
