

Reopening Reminders

(All onsite services will be livestreamed in the HBC Facebook Group)

Onsite Services

- 2 morning services: 8:30 AM & 10:45 AM
- Both will be held in the Family Life Center, with one available entrance (Front entrance glass doors of the FLC). There are multiple exits in case of emergency.
- Social distancing will be carefully observed by creating space between chairs and providing seating at tables, where families can sit together in closer proximity
- Offering plates will not be passed, but will be available where you may “drop-off” your offering

Sanitization

- Our aim is to create an environment that is as contactless as possible for worshippers
- Doors will be open (exception for bathrooms)
- A team will be sanitizing all surfaces, chairs, and tables prior to and between each service
- Hand sanitizer will be readily available

Attendance

- ❖ At this time, we are recommending that those in the “high-risk” category not attend onsite services.

You should not attend onsite church services if you, or anyone coming with you:

- have been in close contact with a confirmed case of COVID-19
- are experiencing a cough, shortness of breath or sore throat
- have had a fever in the previous 48 hours
- have a pre-existing health condition, or you are immunocompromised
