

Dear Church Family,

Have you ever known what it means to be hungry? Have you ever wondered where your families next meal would come from? We have people in OUR church and community that know this reality all too well. Jesus told us that whenever we serve "the least of these" we are serving him.

January is a great opportunity for EVERYONE in our church to be a part of the church's monthly mission. This month we are asking everyone to bring nonperishable items EVERY SUNDAY in January to help fill our church pantry. Our goal is to have the boxes that have been set out overflowing with items.

We are working with Step by Step daycare as they are having a contest like last year to see which classroom can bring in the most items. Last year the kids were very successful in bringing in over 150 canned food items.

There is a couple of ways to donate. You can bring non-perishable food items or make a financial contribution marked food pantry to help the church fill the gaps when the pantry gets low in between donations.
