 our community and beyond

John 3:30-36 (NIV)

³⁴ For the one whom God has sent speaks the words of God.

Three Little Words...

For children these words are dread and sadness.

But for Parents, these words speak of Joy and deliverance.

What words?

“BACK TO SCHOOL”

For children it is the end of summer. No more swimming parties. No more trips to the beach. No more lounging around the house, but instead replaced by getting up early, sitting in class, and having to do homework.

For parents it means no more trying to find ways to entertain the children and have to find someone to watch them while they are at work. It means finally moving back to normalcy.

In less than a week school will resume in school districts across the area and children will be returning.

But, maybe it is also a time when all of us can go back to school, and get back to the basics of faith.

We will begin on August 5 with a special worship service for our children and parents and offer a special prayer for all children as well as those who work with them.

The first month of school normally entails children re-learning what they learned the last year as they prepare to learn new things.

Over the next month we will re-examine some of the basics of our faith as we re-learn many of the important essentials. It is very much like going back and learning our ABC's and 123's.

The first week we will examine the subject of Salvation. On week two we will look at Prayer. Week three will cover a very important topic called Holiness. Then Week four we will delve in the Bible, and what it truly means and how it can support us.

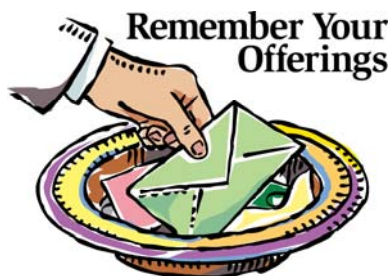

I look forward to our time as we continue our journey together.

Proclaiming "Jesus is Lord!"
