

November 2017

Father, help us to be a transforming Church by the gracious love of Christ. We pray that through the power of the **Holy Spirit**, you guide us to be disciples who will bring people to You. Father, hear our prayers as we pray for those in service in the Ministry of our Mission Team during this time of great need. In this season of Thanksgiving, we praise the **Lord** for the generous gifts of supplies and services provided through the United Methodist Ingathering. Protect those serving in our Military and we pray the **Holy Spirit** will guide our leaders to make good decisions. **Lord**, we give you all the praise and glory. We pray this **Jesus'** name. **Amen**
