

Please note the following requirements from our Insurance Company –

1. All drivers should be at least 25 years old. No drivers under 21 are permitted.
2. Please do not drive a church vehicle if you are taking any kind of medication that could inhibit your ability to drive safely.
3. Always load and unload passengers on the same side of the street as the passenger's destination.
4. Please refrain from backing the bus unless there is another person in the back of the bus to guide and assist the driver.
5. Remember that a bus needs much more stopping distance than a passenger car.
6. There must always be adult supervision of children on the bus other than the driver.
7. Church vehicles are not to be used to haul for the benefit of another church or organization.
8. Church vehicles are not to be loaned or rented.

We greatly appreciate your assistance with these rules and information when you drive a church vehicle, as it helps us to be good stewards of our resources.
