JUNE

The word "JUNE" is rendered in a colorful, stylized font. The 'J' is red with blue polka dots. The 'U' is dark blue with a small purple star in the center. The 'N' is yellow with red and blue polka dots. The 'E' is dark blue with a yellow dot in the center. The background is a vibrant rainbow arching over a blue sky with soft white clouds.

Pastor Christina's Corner

Have you heard?

I am going on vacation (heh)! I might be a tad bit excited. I have been planning and waiting for this trip since June of 2020, when we were unable to do anything for our 20th wedding anniversary and I asked if we could go to Europe for our 25th.

Summer is a time when many of us take trips, go on vacations, or return up north to escape the hotter weather. It is a time many of us slow down to rest and take time to relax. For others, summer is a time to get things done, to see as many people, places, and things as possible.

Many churches take the summer off from Sunday School Class, Session Meetings, etc. since so many people travel. Often it is during the summer that our attendance dips and those who stay behind get discouraged.

No matter if you are a “rest and relaxation” or a “rush and explore” kind of person, this summer it is important to stay close to God. Don’t pack God up in the suitcase and leave God there! Make sure to unpack God wherever you go, even if you just stay home. Let’s try and commit to draw closer to God this summer.

“Draw near to God and He will draw near to you.” – James 4:8

Here are a few simple ways we can draw closer to God:

- Listen to Christian music or make a Christian music playlist to go with us. I love listening to music as I do chores around the house, while I commute or just as I relax.
- Listen to Christian Podcasts to learn and grow no matter where you are

Pastor Christina's Corner

- While away, try to attend MIPC live on Facebook or watch on our YouTube channel. Do you know our Sunday Faith Enrichment class has people who attend from New Jersey, Canada and California? The link is sent out each Friday with the church bulletin.
- Take time each day to reflect on the day – in the morning take time to be with God, ask God to order your day, read your Bible. Connecting first thing in the day allows God to be the first thing on our minds as we face the day's challenges. Before bed, reflect and look for ways you were able to see God at work in your day. Start and close each day with prayer – for yourself, the church, others, and our community. It will help to strengthen those bonds.
- Volunteer – Vacation Bible Study is coming up in July. How can you help to make a difference in the life of one of the kids in our community? Can't be here physically? What supplies might VBS or the Preschool need? (Hint: See a few pages ahead.) Prayer – we can all pray! Prayer is powerful! Talk with Pam and see in what ways you might be able to help out, here or at home as we prepare for VBS. If kids are not your thing perhaps contact Leslie in the church office to see about being an office angel this summer.

These are just a few ways to draw closer to God this summer. But also, as you travel, maybe send a note, picture or a postcard to the church, encouraging those of us who are unable to travel. Maybe we can start a MIPC Press section: "Where in the World is MIPC this month?"

No matter what, this summer know that you are loved and you are a very important part of MIPC! See you soon!

With Love,
Pastor Christina

P.S.: In next month's newsletter I reveal our Summer Sermon Series, which will begin in July!

Preschool

We had a good and busy start to May. We enjoyed Muffins for Moms, our annual Mother's Day celebration, and the children had fun making all kinds of crafts for their moms to enjoy.

Our VPK class graduated on May 23. Some of the children will stay through the summer and some will move on. It's always a bittersweet time watching them grow through the years here and then move on to another school. We do get some back for our summer school age program, but some we don't see anymore, and we wish them great success in their school careers!

We are getting ready for our summer here which started May 27th. We have a very large group of school age kids coming for our summer program. On the next page, you will see a "wish list" of supplies our teachers have requested for their fun summer activities in the classrooms. If you can help at all it would be greatly appreciated!

God Bless,

Preschool

As we move through this season of Easter into late spring, our worship together has been a rich tapestry of experiences, reflections, and blessings. Each Sunday has offered us a unique opportunity to draw closer to God and one another.

On April 27, we leaned into the story of Doubting Thomas. Through the simple live demonstration of paper clips floating on water (“props” for the props, Pastor Christina!), we were reminded that sometimes we need to see—or hear testimony or bear witness—to truly believe. It is a joy to celebrate our faith together, strengthened by the witness of others!

On May 4, we shared communion with unleavened bread, lovingly prepared by Pastor Christina, as we reflected on “The Call.” This time of sacred remembrance invited us to consider how we are called by name and nourished at the table—equipped to serve in love.

Mother’s Day, May 11, was a special moment of recognition for all who mother—not just children, but also flora and fauna, friends, and communities. The Deacons offered a thoughtful gift bag, including lip balm and a vial containing a mustard seed—a beautiful symbol of faith growing quietly and powerfully.

On May 18, we took a bold symbolic step across the “invisible barrier”—the middle aisle between the pews—reminding us that love asks us to cross boundaries to reach others. The message called us to embody the expansive, connecting love of Christ.

Then, on May 25, we reflected on the difference between a formal living room and a cozy family room. We were reminded that God’s invitation is not to keep guests at arm’s length, but to welcome them into our hearts and homes, where real relationship and spiritual warmth thrive.

Worship

Looking ahead, we have several special Sundays to anticipate:

- June 1: Communion Sunday, as well as a reception to say “thank you” and bid a fond farewell to the Fjeldheim family
- June 8: Pentecost Sunday and a reception for our Performing Arts Director, Mary Lou Tipton, in honor of her retirement
- June 15: Father’s Day, a time to honor all those who nurture and guide (with more gifts from the deacons!)
- June 22 & 29: Pastor Christina will be away celebrating her 25th wedding anniversary, and we look forward to welcoming some “mystery guest” preachers to the pulpit!

We are so grateful for the many individuals who make our worship services possible each week—our preachers, liturgists, musicians, AV team, and coordinators. Your dedication and creativity help create a space where all are welcome to encounter God’s presence.

If you feel called to be part of the Worship Committee, or if you have ideas, talents, or feedback to share, I’d love to hear from you. Please feel free to reach out at epigayle@gmail.com.

With gratitude and joy,

FAMILY PROMISE

At the recent Family Promise of Brevard Quarterly Meeting Cheryl Mahan learned so much. The group continues to improve and refine how they care for not just our homeless families in Brevard, but also for our struggling low-income families in the county.

Two once-a-month innovations that just started:

- ♦ Art in Bloom (1-2PM) gatherings at the Firehouse (aka Family Promise headquarters in Cocoa) which will typically include the currently housed families and families in Cocoa who might be interested. Each session features a different creative medium and local artist.
- ♦ Family Friday (4-6PM) is a monthly event at the Firehouse that is designed to connect families with essential resources, community support, and each other! Each month features a) a free essential item for families (last month it was diapers!), b) a partner agency to connect families with valuable services and c) a fun kids' craft station.

(There is a possibility that churches will be asked to supply these essential items occasionally if FP has not gotten them through corporate donors)

The Hindman Wall Golf Scramble will be at the Indian River Colony Club (IRCC) and is usually FP's biggest fundraiser, with corporate sponsors last year raising \$90K of the \$115K that was raised. Perhaps we have some golfers here at MIPC?

The hotel which FP will use for the weeks that no church is able to host (unfortunately there are a lot!) will be the Woodsprings Suites in Rockledge. Though MIPC can only host two weeks of the year we do have the ability to help more by feeding families when they are housed in the hotel.

There was some discussion about two churches (who are not currently hosting) being able to host for several weeks at a time but we will see. Fingers crossed.

MIPC will shortly be replacing the flooring in the Activities Room so we are ready for hosting in late September.

Thanks again to all of you who helped in January. Your help is so appreciated by Frances and me and especially by the families!

Questions? Call Cheryl 321-431-9623.

Exciting news! Family Promise of Brevard was recognized at the 20th Annual Sapphire Awards, presented by the Florida Blue Foundation! Out of more than 300 nominations across Florida, they were honored as one of nine nonprofits making measurable, lasting change in our communities—and at the Awards Presentation, were announced as the 1st place organization and awarded \$100,000 to support their innovative and collaborative work!

This recognition celebrates the impact we've built together over the years—and affirms the importance of investing in the systems that help families thrive. With this generous support, we'll be able to strengthen our foundation and continue walking alongside families as they move toward stability.

Sharing Center of Central Brevard

Last month, we shared the news about cuts to the emergency food program that affected the Sharing Center greatly. The community has responded in a big way, but the need will remain ongoing.

In addition to that challenge, the homeless service center in Downtown Melbourne, Daily Bread, closed its doors in May and transitioned to a mobile outreach, while awaiting the completion of Providence Place, a multi-family apartment community with on-site resident services and amenities, serving individuals and families facing homelessness in Melbourne. This project will be completed by the end of 2027.

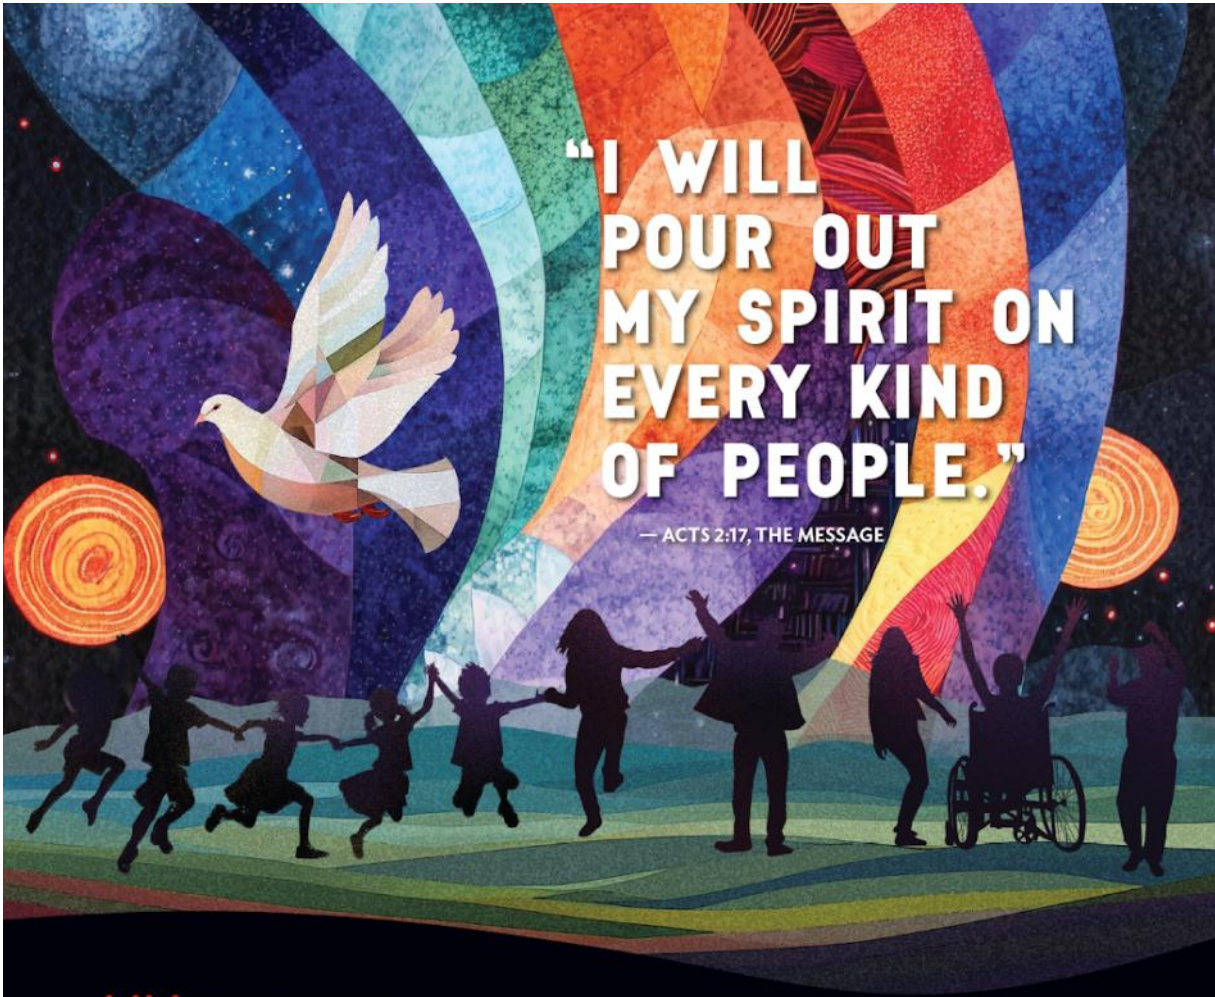

The homeless outreach Matthew's Hope in Cocoa has also lost a major donor and is considering cutting back on services until new funding can be located.

Finally, the closing of Rockledge Regional Hospital creates a gap in health services for the Cocoa/Rockledge area, which is especially disadvantageous to the unsheltered and low income communities.

The Sharing Center is motivated to step up to help fill these gaps. They are working with Brevard Health Alliance to bring mobile medical outreach to the community. They are encouraging their faith partners to organize food drives, volunteer, or donate.

MIPC has been a proud supporter of the Sharing Center for over 20 years. You can learn more about what they do at their website, www.sharingcenter.org.

PENTECOST
SPECIAL OFFERINGS

CHILDREN AT RISK • YOUTH • YOUNG ADULTS

Each year on Pentecost Sunday, we celebrate the gift of the Holy Spirit and the birthday of the church. The Holy Spirit remains with us still, connecting us with the church of the past, continuing to inspire the church of today, and pointing us to the church of the future. Each year, this celebration is marked by receiving the Pentecost Offering which nurtures the faith of those who are the church to come. Pentecost arrives 50 days after Easter and 10 days after the Ascension — when Jesus ascends into heaven. Jesus and the Scriptures are making an important theological point at Pentecost. Jesus ascends and the church is born. If his mission and ministry is to continue, it is upon us, his disciples, to keep it going, and we have the Holy Spirit to lead us, who blesses us all with different gifts to be used at different times and in different ways. Our gifts to the Pentecost Offering connect with God's hope and future, supporting ministries with children, youth and young adults by building a life of faith.

Congregations keep 40% of receipts to initiate or support programs for young people in their communities.

Since the Pentecost Offering started in 1998, Presbyterians have raised nearly \$18 million for ministries that benefit younger members of God's family. We believe we are called to do even more — to support and care for young people as they build a strong foundation of faith.

You will see flyers will additional information about this offering; there are specially marked envelopes available should you wish to contribute.

Stephen Ministry

"So deeply do we care for you that we are determined to share with you not only the Gospel of God, but also our own selves..." 1 Thessalonians 2: 8a

There is someone who cares about you and for you as you face a crisis time in your life. A Stephen Minister can help by listening and sharing Christ's love with you. If you or someone you know needs the caring, Christian presence of a Stephen Minister, contact Craig Smoot (Stephen Minister coordinator) at 321-223-4841, or Pastor Christina.

General Fund Expenses:	73,439
General Fund Net Revenue:	1,033
Preschool Revenue:	207,895
Preschool Expenses:	230,620
Preschool Net Revenue:	-22,725

The church had a few additional expenses this month, including AC repairs and new fire extinguishers, that resulted in a negative result for the month, though our year-to-date is still in the positive by a little over \$1,000.

The preschool added a small amount to their yearly deficit this month.

There was a remainder of over \$60,000 in the “holding account” that had been transferred from the Anderson endowment fund for use in the Fellowship Hall/Preschool renovations. This amount is no longer needed because of the generosity of our congregation. Over the past few years, ever since the need became clear for major building renovations, donations from our members that were designated to that purpose have covered that balance, so most of the remainder has been transferred back to the Anderson fund.

Legacy Giving

Leave gifts to benefit Presbyterian congregations, ministries and causes.

Wills and other forms of legacy giving are essential components of estate planning – the process of managing your accumulated assets and determining what legacy you will leave through them, including your legacy of faith. The Foundation offers planning tools to help donors compose their legacy giving plans and to help churches support these efforts.

Did You Know?

- ◆ Wills and other estate planning documents provide an ideal opportunity to make a statement of faith and to give resources that will support your church or favorite mission for years to come.
- ◆ Suggested language is available that can help you add a bequest to your will easily (but you should consult your attorney before altering your will).
- ◆ Programs for pastors and congregations are available that will help you discuss estate planning in meaningful ways.

If you're ready to create your will as part of your estate plan, the Presbyterian Foundation has sample language and other information that you may find helpful. (These documents are designed to help you get started, but they don't replace a consultation with an experienced attorney.)

Once you've designated a ministry or congregation as a beneficiary in your will, you should notify your church or the other organization that they will be receiving a gift from you after your death. You may wish to give specific instructions on how you'd like to see the funds used. You should also share this news with your family so that they are aware of your wishes.

The booklets are available in the Narthex.

Meeting dates: June 11th & 25th

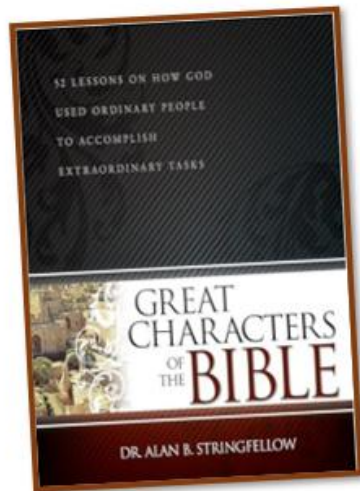

**Location: 200 South Banana River Drive E11
Merritt Island 32952**

Come join us for a time of Bible study and fun activities!

God chose to teach His spiritual principles through the successes and failures of His people.

Great Characters of the Bible is a 52-lesson study of 61 Bible characters who were not all that different from us. They experienced struggles, heartaches, successes, and failures. They battled fear, doubt, and worry. But they also give testimony to God's mighty hand moving through the ages, establishing His will through the lives of people like you and me.

Standing beside these men and women of the Bible will help you walk closer with God, who included their stories in His Word especially to teach you, to inspire you, and to guide and instruct you. As you share in their victories and defeats, you'll discover how each person was selected by God to fulfill a purpose. By studying them, you will see how the Holy Spirit equips and empowers you for greater service.

Please contact Milt at 910-580-9344 or milton.s43@aol.com if you are interested in attending.

**Each month, we feature an “Eco-Friendly Tip!” It’s our way of helping
conserve resources and preserve our beautiful Brevard beaches and
waterways. Here’s your June tip:**

*During the month of June, the combination of hot weather and increased
pest activity can pose a threat to your plants. Take regular walks throughout
your garden to monitor and remove any pests before they have a chance to
multiply and always focus on improving soil quality by adding mulch,
amendments and organic matter to your garden beds. Take some time to
pull some weeds, check your irrigation and prune back dead and damaged
plants to help your garden thrive throughout the summer season and set you
up for success this fall.*
