A Song in Every Season

As we move into September, we find ourselves in a season of transition. Summer's long days begin to give way to shorter evenings, routines settle back into place, schools reopen, and many of us look ahead to the busy months of fall. In these moments of change, Scripture offers us a beautiful reminder of God's constant presence.

Psalm 42:8 declares:

"By day the Lord commands his steadfast love; and at night his song is with me, a prayer to the God of my life."

What a comforting picture this verse paints. Throughout the day, God surrounds us with His steadfast love. His love is not dependent on our circumstances, our successes, or even our faithfulness. It is His nature to love His people consistently and completely. Whether we are celebrating blessings or carrying burdens, God's love remains unwavering.

Then, as night falls and the world grows quiet, the psalmist reminds us that God's song is still with us. When worries seem louder in the darkness, when uncertainty about the future creeps into our thoughts, or when we feel weary from the demands of life, God remains near. His presence becomes a song of hope, peace, and encouragement that sustains us through every hour.

September often feels like a fresh beginning. It is an opportunity to recommit ourselves to our walk with Christ, reconnect with our church family, and renew our trust in God's guidance. As a congregation, we are called to be people who not only receive God's steadfast love but also reflect that love to those around us. A kind word, a listening ear, a prayer offered for a neighbor, or an invitation to worship can become a tangible expression of God's care.

Pastor Christina's Corner

As we enter this new season together, I encourage you to make space each day to recognize God's love at work in your life. Begin each morning with gratitude for His faithfulness, and close each evening resting in His presence. Let His Word shape your thoughts, let prayer guide your steps, and let His song fill your heart.

May Merritt Island Presbyterian Church be a community where God's steadfast love is experienced daily and where His song of grace, hope, and salvation is shared with all who enter our doors.

May the Lord bless you and keep you throughout this September and beyond.

In Christ's Love,

Pastor Christina

Session Updates

Session Highlights: Keeping the Congregation Informed

The Session of Merritt Island Presbyterian Church is committed to keeping the congregation informed about the ministry, mission, and work of our church. Session meets regularly on the fourth Wednesday of each month, and we invite you to keep our elders and church leaders in your prayers as they discern God's guidance for our congregation.

Highlights from the July Session Meeting

At the July stated meeting, Session addressed a variety of important matters related to the life and ministry of the church. Among the actions taken:

- The Session approved the reception of Joe Schneider as a member of Merritt Island Presbyterian Church.
- Worship leaders reported that Communion would next be celebrated on August 2.
- The Preschool Committee reported on preparations for the upcoming school year and received approval for modest tuition and supply fee increases to help support preschool operations.
- Session received the resignation of Gia Curry from One Purpose and expressed appreciation for her faithful service to the ministry.
- The Fellowship Committee assisted with plans for a congregational lunch following worship on July 26.
- Mission and Outreach shared plans for a community grief support group partnership.

Following recommendations from the Finance Committee, Session approved budget adjustments designed to reduce church expenses by \$25,000 during the remainder of 2026 and scheduled a town hall meeting to discuss the church's financial situation with the congregation.

Session Updates

The Nominating Committee will begin its work in August as it seeks leaders to serve the church in the coming year.

Action Taken at the August 5 Called Session Meeting

At a called meeting of the Session on August 5, the elders approved a motion to use the designated gifts from Paul Pratt's family to fund the fall semester of One Purpose, including Gabby's salary and other production expenses. Oversight of these funds and the ministry's operation will be provided by the Faith Formation elders.

The Session also affirmed that One Purpose remains a ministry of Merritt Island Presbyterian Church. The meeting concluded with prayer and thanksgiving for God's continued provision and guidance.

Looking Ahead

As we move into the fall season, Session continues its work on stewardship planning, leadership development, congregational care, worship, outreach, and ensuring the long-term health of our ministries. We thank the congregation for its prayers, support, and participation in the life of our church.

"Let us consider how we may spur one another on toward love and good deeds." (Hebrews 10:24)

Please remember that the Session meets ordinarily on the fourth Wednesday of each month, and we welcome your prayers as we seek God's will for Merritt Island Presbyterian Church.

Clerk of Session*

Worship

August brought us summer heat and a cool sanctuary. We celebrated the sacrament of communion on August 2, and we were blessed to receive our newest member, Joe Schneider, on the same day.

September brings us the first days of fall, and already some of our snowbirds are returning to Florida.

We will celebrate communion on September 6, which is Labor Day weekend (the office and preschool will be closed on the 7th).

On September 13 we are happy to have a handbell duo playing in worship (Sharon Hertzler and Leslie Mitchell).

On September 20, we welcome George Wilcox to the pulpit while Pastor Christina is away.

Watch for the kickoff of our stewardship season, which will begin on September 27. The theme is "Journey to Cultivating Generosity" and Pastor Christina will preach on this theme over the following weeks, culminating in our Commitment Sunday, November 15, which will be followed by our annual Family Thanksgiving Feast in Fellowship Hall.

As always, we are truly blessed to have a dedicated team helping facilitate worship every Sunday. Pastor Christina as our spiritual leader is very ably assisted by our liturgists, our pianist Jennavon Brown, our A/V team James Neihouse and Dale Greenawalt, and those who fill in for all of the above. We are grateful and could not have Sunday worship (especially the Facebook component which reaches beyond our walls each week) without you!

The one who sows sparingly will also reap sparingly, and the one who sows generously will also reap generously. - 2 Corinthians 9:6

August brought many changes to MIPC Preschool. We said good-bye to many of our students. Some were expected and some were not. We also had a few “hellos;” it’s always exciting to welcome new children to our facility. All the kids have made a smooth transition to their new classrooms as we begin a new school year.

We also had to say good-bye to some of our teachers. Again, one was expected and others were not. One of those good-byes was for me. I have made the decision to leave MIPC Preschool after 19 years of service. I will be taking a new position at Merritt Island High School.

I am thankful for my time here and am sad to go but feel that I have made the right decision for me and my family.

Tammy Lewis will be our interim director so the Preschool is in extremely good hands!

I hope to continue in my position as Church Sexton so I will see some of you from time to time.

Respectfully,

Robyn Mills, Preschool Director

Preschool—Honoring Robyn Mills

Celebrating a Faithful Journey: Giving Thanks for Robyn Mills

As Merritt Island Presbyterian Church prepares for a new school year, we also pause to give thanks for the remarkable ministry and leadership of Robyn Mills, who is concluding her service as Director of the Merritt Island Presbyterian Preschool.

Robyn's connection to our preschool began long before she joined the staff. As a parent, she experienced firsthand the loving, Christ-centered environment that has blessed so many families. Her eldest daughter, Carrie, began preschool here in 2004, and later her twins, Adam and Becca, followed in 2008. Through those years, Robyn became part of the preschool family and developed a deep appreciation for its mission of nurturing young children in faith, learning, and love.

In August 2007, Robyn officially joined the preschool staff as a teacher. From the very beginning, she demonstrated a heart for children, a passion for education, and a commitment to serving families. Over the years, her responsibilities and influence grew as she became Co-Director alongside Tammy Lewis, helping to guide and strengthen the ministry of the preschool.

Most recently, Robyn faithfully served as Director of the Preschool, while also teaching in the classroom. Balancing both leadership and teaching responsibilities, she continued to provide steady guidance, encouragement, and care for students, families, and staff alike.

Preschool—Honoring Robyn Mills

Throughout her years of service, Robyn has helped shape the lives of countless children. Her dedication has contributed to a preschool environment where young learners are encouraged to grow academically, socially, and spiritually. With additional training in trauma informed care, she has been able to help spot trauma and to tailor children's education to give kids the best opportunity MIPC Preschool could. Her leadership has been marked by compassion, professionalism, and a genuine love for the children entrusted to her care.

While we are saddened to see her leave her role at MIPCPS, we are excited for the new opportunity God has placed before her. Robyn will be joining the local high school's VPK teacher preparation program, where she will help equip and inspire the next generation of preschool and VPK educators. In this new chapter, her experience, wisdom, and passion for early childhood education will have an even broader impact.

On behalf of Merritt Island Presbyterian Church and Preschool, we extend our heartfelt gratitude to Robyn for her many years of faithful service. We thank God for the gifts she has shared, the lives she has touched, and the lasting legacy she leaves behind.

Please join us in praying God's blessings upon Robyn as she begins this exciting new chapter. We celebrate her ministry among us and look forward to seeing how God continues to use her to shape the lives of children, teachers, and families for years to come.

Thank you, Robyn, for nineteen years of dedication, leadership, and love. You will always be a cherished part of the Merritt Island Presbyterian Preschool family.

FFM—Honoring Pam Poland

Celebrating Pam Poland: Nine Years of Nurturing Faith at MIPC

After nine years of faithful service, Merritt Island Presbyterian Church gives thanks to God for the ministry of our Faith Formation Associate, Pam Poland, who has served on staff from July 2017 through July 2026.

Throughout her years at MIPC, Pam has been a gifted leader, creative planner, faithful servant, and caring encourager. Her commitment to nurturing faith across all generations has touched countless lives and strengthened many of the ministries that help make our church family so vibrant.

Pam's leadership has been evident in numerous events and programs that have become cherished traditions within our congregation. From the joyful energy of our Fall and Spring Festivals to the meaningful fellowship and spiritual growth experienced during Women's Retreats, she has consistently helped create opportunities for people to connect with God and one another.

Her passion for children and families has been especially evident through her work with Kids Klub and One Purpose Productions. Through these ministries, children have learned about God's love, developed lasting friendships, and discovered ways to share their faith through worship, drama, and service. Pam's enthusiasm, encouragement, and genuine care have made a lasting impact on the lives of many young people and their families. Thanks to the gifts of the Pratt Family Charitable Trust MIPC is able to continue One Purpose for the fall and we give thanks to God for that.

The beloved Living Nativity also benefited greatly from her organizational gifts and attention to detail, making it possible for the congregation and community to experience the wonder of Christ's birth in a meaningful and memorable way.

FFM—Honoring Pam Poland

Behind the scenes, Pam faithfully supported many of our adult discipleship ministries. She played an important role in helping organize volunteers for the Faith Enrichment Sunday School Class, as well as Men's and Women's Bible Studies, ensuring that opportunities for learning, fellowship, and spiritual growth continued to thrive.

What stands out most about Pam's ministry is not simply the long list of activities she coordinated, but the spirit in which she served. Her creativity brought ideas to every ministry she touched. Her love for people helped others feel welcomed, valued, and included. Her willingness to serve wherever needed demonstrated a deep commitment to Christ and His church.

Whether planning events, recruiting volunteers, encouraging a child, supporting a Bible study leader, or working behind the scenes to ensure everything was ready, Pam consistently shared her gifts with grace, joy, and faithfulness.

As we reflect on Pam's years of service, we celebrate the many lives she has touched and the countless ways she has helped nurture faith within our church family. We are deeply grateful for her dedication, leadership, creativity, and love.

Thank you, Pam, for nine wonderful years of ministry at Merritt Island Presbyterian Church. May God continue to bless you as you begin this new chapter, and may you always know how much your MIPC family loves and appreciates you.

"Well done, good and faithful servant." (Matthew 25:23)

Mission: 5 Cents/Meal

Small Change, Extraordinary Impact - Remembering Rosellyn Jean Calvert

Rosellyn Jean Calvert, 97, of Titusville, FL passed away on August 8, 2026. Rosellyn was born in Galva, Illinois, and was a member of the First Presbyterian Church of Titusville.

As we reflect on the life and legacy of Rosellyn Jean Calvert, we are reminded that some of the most transformative movements begin with the smallest acts. In 1976, Rosellyn challenged people to set aside just two cents at every meal, believing that ordinary individuals and families could make an extraordinary difference in the fight against hunger. What seemed like a simple idea became the foundation for what the Presbyterian Church would embrace as Cents-Ability, a ministry that continues to inspire faithful giving and compassionate action today.

Here in Central Florida, that legacy lives on through PATH's **Five Cents a Meal** program. Five pennies may seem insignificant in a world of overwhelming needs, but Rosellyn understood a profound truth: when God's people combine small acts of generosity with a shared commitment to caring for neighbors, those pennies become meals, hope, dignity, and lives changed. Her vision was to engage individuals and families in a collective response to hunger, proving that everyone can participate in God's work of feeding the hungry.

50 years later, we give thanks for the countless blessings those "few cents" have become. Generations of faithful Presbyterians have dropped coins into jars, bowls, cans, baggies and offering plates, trusting that God would multiply their gifts. Those small offerings have added up to an immeasurable impact, providing food, supporting local pantries, and helping communities respond to hunger both near and far.

Rosellyn once said, "We will never see world peace until we wipe out hunger." As we honor her memory, may we also celebrate the enduring witness of PATH and Five Cents a Meal: that no gift is too small, no act of compassion is insignificant, and together, cent by cent, meal by meal, we can help create a more just and nourished world. Thank you, Rosellyn, for reminding us that small gifts count and add up to lasting change!

Mission/Outreach

Our Heavenly Handmade crafting group has been making blankets for organ donors and their families.

They received this gift of yarn from the people of Donate Life. This donation will help our HH ladies continue to make a difference in our community with these blankets.

Your Support at Work in Venezuela

Thank you for supporting CWS Blankets and CWS Tools.

Following the earthquake in Venezuela, CWS is providing specialized tools to support recovery efforts, including concrete testing equipment, structural assessment tools and laptops for fieldwork. These resources will help local engineers assess damaged buildings and infrastructure and determine what is safe to enter, occupy or repair.

The tools may be different from the ones you've supported before, but the idea is the same: ***putting the right resources into the hands of people who can use them to help their communities recover.***

Thank you for being part of this work. Your generosity helps CWS and our partners respond when our neighbors need us most.

*With gratitude,
Matt Stevens

Mission/Outreach

Family Promise Time SOON at MIPC!

As most of you know, because you have participated in Family Promise in the past, we will soon be hosting several families in our church for one week—Sunday September 20 through Sunday September 27th. MIPC hosts for just two busy weeks a year (one in January) and most of our congregation helps out in some of the many ways we are needed.

Hoping we can count on you again!

There have been some interesting times this last month when two families were housed at the SS--Static Site (on Merritt Island-- adjacent to the Tapestry Church and across from Jefferson Middle School.) Since COVID times we have not had to deal with illness, but in July several fell ill, and it went on for several weeks. That meant separating the families—one at the SS and one at a local hotel which is costly. The meals, which were provided mostly this last month by congregations who could not physically host, had to be delivered to two locations. The thing that made us feel God's hand in things was that we were able to help a homeless family at a time when illness—even minor illness—could have been devastating.

While I have you here reading is a good time to tell you that Family Promise of Brevard has changed its name to Family Promise Space Coast with an eye towards expanding our work further south in this long county. Also avoiding confusion with that pesky place in NC that also calls itself Brevard! New website is www.fpspacecoast.org but using the old website will direct you there. More about those plans in coming months.

And tentatively we will have our next hosting on January 10-17, 2027!

Cheryl and Frances will be working to get our meals and overnight host schedules worked up with your help. If you have suggestions on how we can do even better than last time, please call us (Cheryl 321-431-9623 or Frances 321-427-4477)

Mission/Stephen Ministry

A recent mailing of their July 2025-June 2026 Impact Report was fascinating and informative. The food pantry in Cocoa provided 41,000 hot nutritious meals this year. The food pantry has expanded its schedule of how often families can receive bags of food from 60 days down to 30 days as community needs rapidly increase.

There are so many ways to volunteer there--in the kitchen, in the pantry giving out bags of food, in the thrift shop (the proceeds of the thrift shop pay for the food they must purchase), in the business office. There is also the possibility of just occasionally volunteering when food sorting must be done in a hurry or other short term tasks must be undertaken.

And there is also a thrift store in Merritt Island (in the Home Depot shopping center) that always needs volunteers.

There is so much more we could tell you but please talk to Cheryl (321-431-9623) who has been a volunteer there on Mondays in the kitchen for 18 years. She can tell you about even more interesting possibilities. If you would like a copy of the Impact Report, that can also be provided.

And happily we can report the availability of showers is back again for our homeless neighbors!

In a nutshell, Stephen Ministry is Christ caring for people through people. Yet another way of looking at it is that Stephen Ministers serve as a "leaning post". Either way you look at it, Stephen Ministers share Christ's healing love with those who are hurting in the congregation and community.

Stephen Ministers are lay people providing one-on-one confidential Christian care to the bereaved, hospitalized, terminally ill, divorced, unemployed, relocated, empty nesters, and others facing a crisis or life challenge. MIPC has a strong Stephen Minister program in partnership with Grace Methodist church. If you know of anyone who might benefit from a Stephen Minister, please contact either Pastor Christina or Craig Smoot 321-223-4841.

As we continue to navigate a challenging financial year, the Finance Committee wants to keep the congregation informed about our financial position and the importance of careful stewardship.

Through July, MIPC operations have generated \$84,272 in revenue against \$120,274 in expenses, resulting in a year-to-date deficit of \$36,002, compared with a budgeted deficit of approximately \$27,049.

The preschool has generated \$259,721 in revenue against \$302,108 in expenses, resulting in a year-to-date deficit of \$42,388, compared with a budgeted deficit of approximately \$26,515.

It is important to note that most of the budget reductions approved by Session in July are not yet reflected in these figures. Those changes will begin appearing in the August financial statements and subsequent reports. The Finance Committee will closely monitor the coming months to determine whether the reductions are producing the anticipated savings and whether additional reductions may be necessary.

Designated Gifts and Financial Flexibility:

Another important consideration is the distinction between unrestricted funds and donor-restricted gifts. When a donor gives money specifically for a particular ministry, program, project, or other purpose, the church may accept the gift subject to that restriction. Once accepted, however, the church generally has a legal obligation to

use those funds for the purpose designated by the donor. They cannot simply be redirected to another need, even when the church has an urgent financial shortfall elsewhere.

For this reason, how we designate our giving matters. Donors considering a special or restricted gift should understand that designating a specific purpose can limit the church's ability to use those funds where the need is greatest. At the same time, when the church accepts a restricted gift, we have a responsibility to honor the donor's wishes.

Looking Ahead:

The financial situation remains serious, but the actions taken over the past several months are intended to move us toward a more sustainable financial position. The Finance Committee will continue monitoring revenue and expenses, evaluating the impact of the approved reductions, and working with Session on the remainder of the 2026 budget and the 2027 budget.

As we look toward our upcoming stewardship season, we will have an opportunity to prayerfully consider how each of us can support the mission and ministry of MIPC in the coming year. Our stewardship is not simply about meeting a budget; it is about discerning together what ministries and priorities God is calling our church to sustain and support.

We are grateful for the continued generosity of our congregation. Every gift—whether unrestricted or designated—is an expression of faith and stewardship. Our responsibility is to use those gifts faithfully and wisely and to honor the intentions attached to them.

Thank you for your prayers, your generosity, and your continued commitment to the financial health and ministry of MIPC.
