

Seed Idea	Name
Support Kalispell firefighters through coffee and grocery gift cards (to be used for shift meals)	Maggie G.
Small group/community group for young adults (families with or without kids too). Thinking dinner/potluck every other weekend on a Friday or Sunday evening.	Angela & Seth K.
Brunch & hike for 8 when weather is better! Spring/Summer	Deb B. & Charlie W.
Make "Thank You" cards for community volunteers, caregivers, etc.. Meet at church.	Deb B.
Forming an email "Prayer & Support" group in conjunction with United Methodist Women.	Michelle M.
Meals on Wheels Ministry: There are a variety of ways you can help the Whitefish Community Center provide meals to seniors around the Whitefish area. They need drivers to deliver meals daily, help on Wednesday, Thursday or Friday or they need substitute drivers that can be called at the last minute when a driver is unable to take care of his/her route. They need help in the kitchen and again, substitutes. This enables seniors to stay in their own home and is a way of breaking up their day with a meal and a friendly smile! Please contact the Whitefish Community Center, 862-4923 and see how you can make a difference in our community!	Dianne G.
Making and singing music together!	Nancy G.
"C to the 4 <sup>th</sup> Power": Communication, Connection, Care, Community-building. Church family members placed on branches or teams of 10 with a "lead" who coordinates a care chain (meals, cards, visits, prayer chain) with info sharing, emails or texts correspondence, and occasional get-togethers.	Erin A-G.
Valley Neighbors: Encouraging a friendly reception for immigrants.	Dave L.
<u>Collaboration with North Valley Food Bank</u> Pastor Morie is planting a new seed for ministry after meeting with Jessy Lee, Executive Director of North Valley Food Bank (NVFB). To both increase services and deepen relationships with area faith communities, NVFB is asking us to adopt a month for sponsorship. This effort would include working directly with NVFB to determine specific needs and creating a plan for various drives, events, education and/or activities. This partnership is a great opportunity for service and learning! At this point, Pastor Morie would like to build a small team to pick the month and oversee the efforts during that time. If you are called to serve on this team with Pastor Morie, please contact him directly via email at <a href="mailto:morie@whitefishumc.org">morie@whitefishumc.org</a> .	Pastor Morie

**COVID-19 Relief**

- 1) donating money to Flathead or Lincoln Electric to pay for people's bills if they are affected by staying home
- 2) purchasing gift cards from local restaurants and gifting them to someone in need
- 3) donating money to Montana Food Bank; lots of kids may need the food as schools and daycares are closed

Ali
