Easter has come and gone but I think that every Sunday is a little Easter. We remember what Jesus did for us 2000 years ago. So as you come into the church prepare yourself not for singing and praying, but listening to the message that God has provided. And yes the message is inspired. So I challenge you to look at the church from the eyes of a non-believer and try to understand what they do not understand. In life there are struggles and there are challenges but God is always in the middle looking to help and instruct you.

One other thing, I appreciate all of the work the finance committee has put forth, however the short fall for the weekly giving is alarming. Folks I know times are hard and times are difficult but with faith God can get you through the struggle. I am stepping up my giving because that is what God demands and I hope you can also. My friends, the challenge is not to hold the church back but to bring the church forward. So please consider adding a few dollars to the offering plate. John Wesley said, “Do all the good I can, by all the means I have, in all the ways I can, in all the places I can, at all times I can, to all people I can, as long as I can.”

Grace and Peace,
Danny B

She encouraged others to trust in God's provision and guidance. The church community is invited to join in prayer and support for one another. April Issue 2016
March has gone by so fast!!! We had Spring Break, which was nice, then when we returned, it was time to get ready for Easter!! First we got to take pictures with the Easter Bunny when we went to the Nursing Home, we also had an egg hunt and a picnic that same day!!

Our Easter Egg Hunt, with our classmates at the Pre School was on Wednesday March 23rd, it was in the grass behind the Church and that was so much fun!!

because our parents got to come & watch us find eggs which was followed by our Easter Party of course. Next we will be making our annual trip to the Strawberry Patch in Fairfield!! It's so fun picking big red strawberries, that we get to take home! We just love spring when it's not raining.

One of the best days is coming up, when we get to bring our bikes to school and ride for Bike Day & Ice Cream!! I can't wait!!!!
