

FABRIC and GROUNDS MINUTES of MAY 3, 2023

The meeting was brought to order at 6:31 p.m.. in St. Mary's Chapel.

The minutes of April 5th were approved as written.

Those attending were Phil Barlup, Jerry Sowers, Charles Brining, Bob Speelman, Bob Rauth, Missy McCray, Jim Aaron and Charles Chaney.

Old Business: the cemetery was seeded and a straw mat applied and has been watered since the shed was removed. The water connection has broken so that it can't be turned off or on. Bob Rauth will speak to Lem Richmond to see if he can fix this. Since our last meeting two contractors were called over repairing the sink hole in the upper parking lot and for repainting the parking spaces in the handicap area. Neither have responded. Bob Rauth will speak to Weaver paving. We received two bids on tree removal from the playground. The lower bid of \$900 from Antietam tree was voted on and approved by the commission. This will be an action item for vestry. The tree is partly in Debbie's yard and she has granted permission for the tree to be taken down and for the use of her yard for the same. Jim Aaron found a guy with a 28 foot ladder to look at the bird access through the chimney vent. He couldn't reach the roof safely. Jim has found a 32 foot ladder and will ask him to come back. The two mobile shelvings were bought and assembled on the stage. The vestry approved Susan and Betty to evaluate the stage storage area and to throw out what isn't necessary.

New Business: May 21st after church is our mulch spreading date. We will ask Joelene if the youth can help. Two archway lights are out.

Respectfully submitted, Charles Chaney
