

FABRIC AND GROUNDS MINUTES JUNE 7, 2023

The meeting was called to order at 6:59 p.m. in Trimble Hall.

Those in attendance were Missy McCray, Charles Brining, Bob Rauth, Jim Aaron, Jose Velazquez, Phil Barlup and Charles Chaney.

The minutes of the May 2023 meeting were approved.

June fire extinguishers- David McKinley June elevator- Phil Barlup June exit lights- Jose Velazquez

The vestry accepted the \$900 proposal from Antietam Tree for dead tree removal.

OLD BUSINESS-

A/C units serviced by Hardell

Bushes trimmed and weeds pulled

Weekly clean up of grounds

Church grounds mulched

Tower roof in bell room repaired

Waiting to hear from Lem Richmond for cemetery water main

Waiting to hear from Weaver Paving for parking lot repairs and parking space lines

Church roof exhaust pipe blocked from bird entry

Should we be advertising engine lift in another medium? Decided to lower price instead.

Herbicide applied to front sidewalk

NEW BUSINESS-

Ellsworth Electric proposal for replacing archway floods with LED's and repairing receptacles as well as removing antiphonal organ pipe spot lights for \$718 approved.

Discussed A/C in St. John's House kitchen and voted to remove this unit.

Ladies toilet on veranda level had complaint of non flushing, checked and it flushes normally.

Kim Halsey would like to use the Sunday school storage room to store service and outreach supplies and we have no problem with that. There is very little room there and Rebecca Connor doesn't want to keep anything except the manger. Bob Rauth will discuss this with vestry.

Submitted by Charles Chaney
