

Service and Outreach Commission
April 3, 2024

Discussion via zoom and through email

Cathy and Frank will do lunch at **Potomac Towers** on the 30th

Pantry on the Go is going very quickly. Florence would be willing to buy toiletries that day if needed

Next month the Yard Sale and Pantry on the Go will overlap

We will have a table at the Flying Boxcar Game - what should be on it to highlight St. John's

Paper Towels and Wipes for Bester have children from nursery walk them to the baskets with the ushers

There were many diapers for Babypalooza

We need to figure out our meetings. It isn't working to have it on Zoom during the Joint Commission Meeting.

Some ideas included:

- Continue Zoom meeting at 7 on the first Tuesday and skip or send rotating representative to Joint Commission meeting
- Move our Commission to before the Joint Commission
- Meet in person at Joint Commission and do ours when it ends
- Move our Commission to a different day - Second Wednesday at 7 (after welcoming) or Third Wednesday
