**SECURITY CHECKS**

In light of recent events involving school and church security LUMC will be implementing it's own security measures in an attempt to protect the congregation, staff and others serving in our church. One immediate step in that direction is in having one main entrance for church services. Everyone is encouraged to enter the sanctuary using the front doors. Other exterior doors will be locked and equipped with panic bars (in the near future) which will allow very easy exits. Thank you for your cooperation in these endeavors. We do not wish to instill fear in anyone but it is our responsibility to do what we can to ensure safety. More security measures will be made known to you as they occur in the attempt to be diligent in providing a safe environment for everyone. Please contact Jerry Garner, Trustee Chairperson, with any questions or concerns at 850-449-3836.
