Located in Southeast Asia between the Pacific and Indian Oceans, Indonesia has beautiful beaches, diverse cultures and the world's fourth largest population. Many of the country's more than 17,000 islands are in the Ring of Fire, where volcanic eruptions and earthquakes are common. Climate-related disasters such as cyclones are also becoming more frequent and destructive. Find out how—with the support of Catholic Relief Services and generous communities like yours—Evita and her disaster preparedness group are working to keep their community safe. You can find the foldable Rice Bowls, to use at home, at the end of the pews. There is also a bowl in the back of the Church marked for donations if you don't want to use the CRS Rice Bowls.

**The Holy Name Society has free walking canes and walkers available, lightly used and in good condition, for people with mobility challenges. For more information, call the rectory or speak with a Holy Name Society member.**
