Dear Sponsor,

Marvin greets you in the love of God. He’s happy with the mail he got and to know he has a sponsor that writes him about God. He thanks you for telling him about your life, family, and country. He says he has eight sibling and they’re doing well. His dad works in the fields and his mom is a housewife. Only he goes to church. He has a Bible. He wants to know if you will send a picture? He asks you to pray for his family and parents, Jacinto and Balvina, so God changes them. He says “bye with blessings”. -Marvin Joel- (A translated letter from our Compassion Int’l child)
