

# BRISTOL LIFESTYLE RECOVERY

*Opening Soon! Saving lives through hope, healing and recovery  
Serving men and women in 21 counties of southwest Virginia and northeast Tennessee*

## WELCOME

**Bristol Lifestyle Recovery** delivers a solution to the addiction crisis in our community. Leveraging over 19-years experience Fairview Housing Management Corporation, a 501(c)(3) non-profit delivers long-term housing with affordable recovery programs that are faith-based with over twice the success rate (87.6%) than the national average according to HUD standards.

## WORKFORCE

Bristol Lifestyle Recovery will bring over 35 new jobs to Bristol and approximately 200 drug-free workers to the area workforce. BLR is the next major project managed by Fairview Housing serving the Tri-Cities community since 1971.

## Lifestyles We Help BLR Residents Overcome

**POST-DETOX ADDICTS** Abuse of illegal drugs and alcohol, plus legally prescribed medications, continue to escalate out of control. East Tennessee and Southwest Virginia are among the top two areas in the nation for drug abuse and misuse. Recovery is a long process that requires a safe and protected residential environment with supportive services.

**VETERANS** There are approximately 24 known veteran suicides each day. PTSD affects a large portion of veterans and causes heavier drug and alcohol abuse and homelessness.

**CRIMINAL JUSTICE SYSTEM** We work with Probation & Parole, Court Systems, Diversion Programs and ReEntry Programs.

**PREGNANT DETOXED WOMEN** When pregnancy involves an addiction the babies suffer and are born with addiction (Neonatal Abstinence Syndrome).

**HOMELESS** There are many reasons why people and families become homeless. Drug abuse is a major factor and according to the Veterans Administration there are approximately 50,000 homeless veterans. Lack of support and social isolation for all addicts and at-risk individuals is the primary reason for homelessness.

**AGING OUT OF FOSTER CARE** On average, for every young person who ages out of foster care, taxpayers and communities pay \$300,000 in social costs like public assistance, incarceration and lost wages.
