First Baptist Students

Our desire in the youth ministry is to help raise up youth to know and serve Jesus in their lives. Our hope is to partner with parents to help see that take place.

Our goal for our youth grades 7th-12th

- Provide a weekly spiritual time for youth in their Sunday School lesson.
- Provide a weekly activity for the youth to teach them biblical scripture in a relaxed learning atmosphere.
- Create experiences annually with students to foster spiritual growth. Planned trips, camps, and events are part of our goal to reach our youth.
