

Instructions

In this Bible reading plan you will read 1 chapter each day, with the exception of a few days which have 2 chapters assigned. The assigned chapters will give a good survey of the Old Testament, while not reading every chapter. The plan includes every chapter of the New Testament, except some chapters in Revelation.

If you would like to read more than 1 chapter each day, one suggestion is to add a chapter from Psalms each day in addition to the assigned chapter.

You may also choose to read more than 1 chapter a day and finish in less than 1 year.

May God bless you and teach you as you read His Word!
