

Church Conference
Tuesday, June 13, 2017
Welcome!

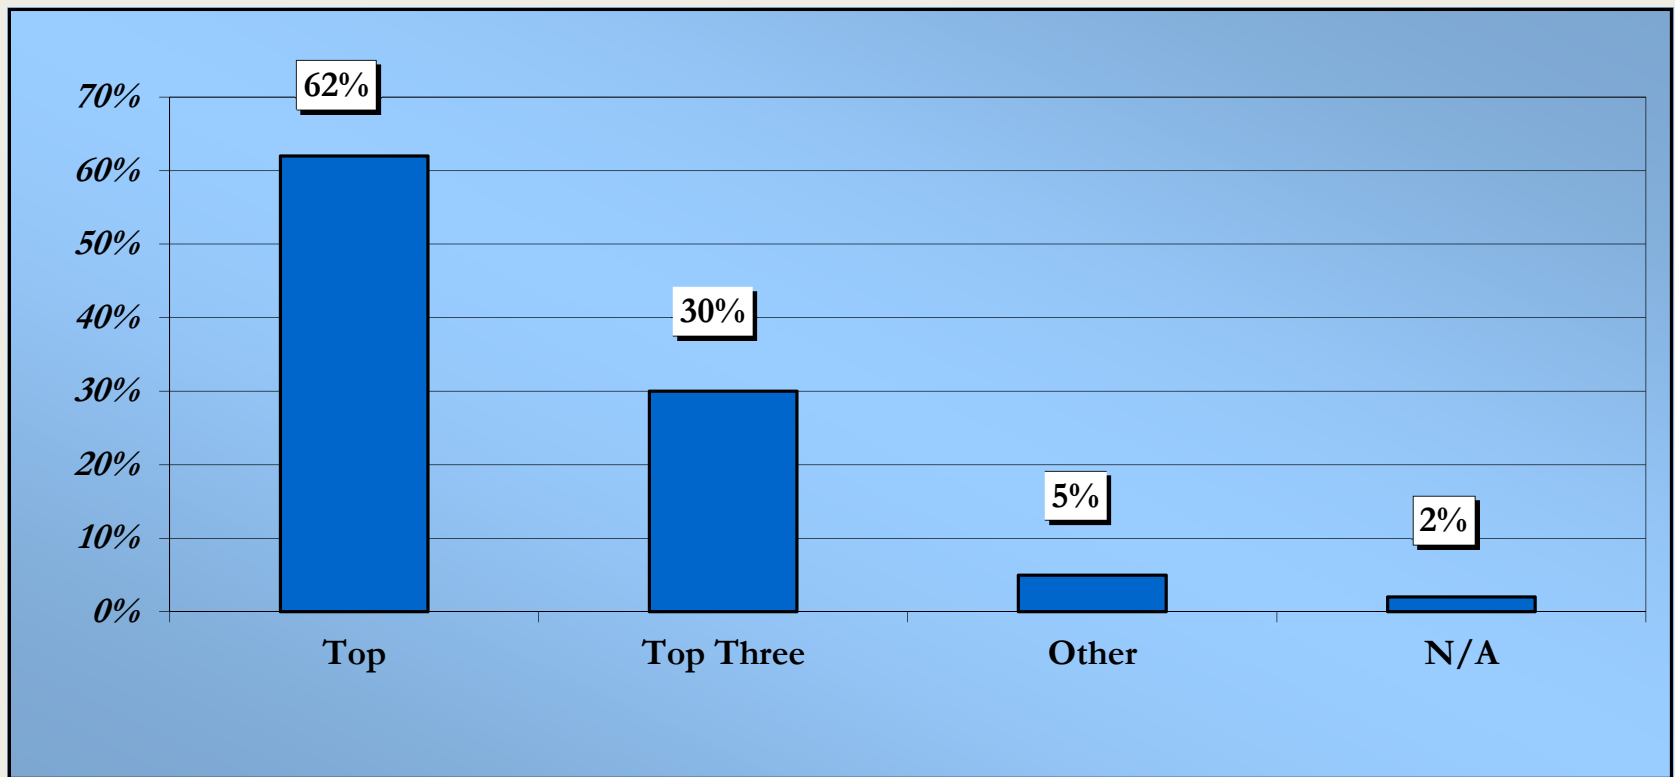

Importance of the Project to FUMC Community

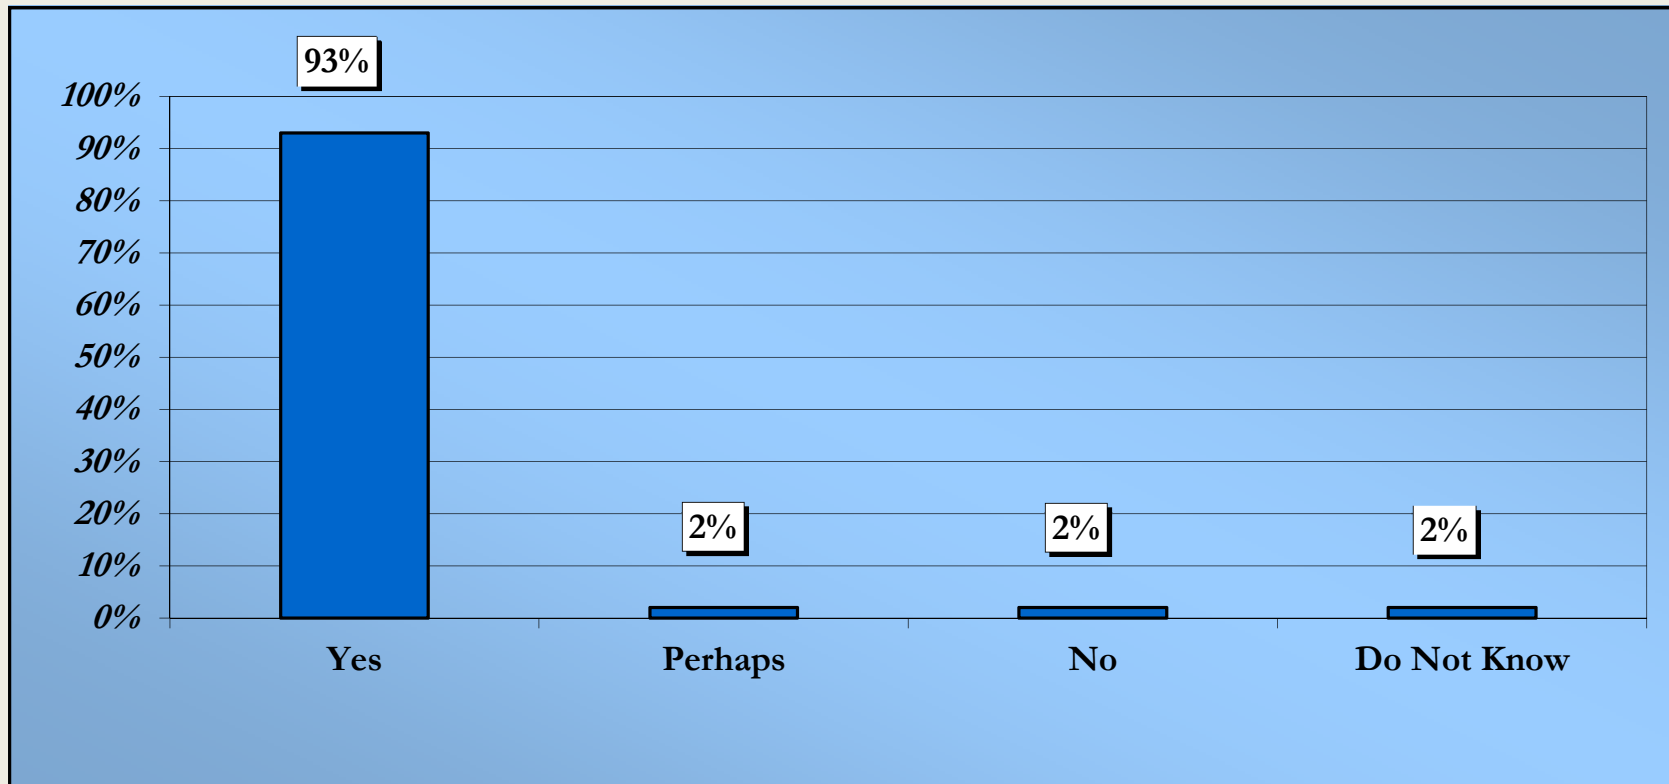

Case for Support - Perception of Plan

Charitable Priority Ranking

Would You Consider Making a Contribution to the Campaign?

The Motion

1. Proceed with finalizing the design of facility improvement projects in accordance with the funding available:

- Construction of expanded lobby, new stairwell, new coatroom
- Installation of elevator and Webb Hall Lift
- Basement and 2nd floor renovations to accommodate elevator and utility room
- Classroom enhancements to facilitate sharing between Preschool and Sunday School
- Remodel restrooms on basement and 2nd floors for accessibility and create “family” restrooms
- Narthex improvements
- Chancel improvements
- Balcony Accessibility
- Exterior site work and grading

The Motion, *continued*

2. Proceed with “*Our Time To Build*” Capital Campaign to raise funds for proposed building projects: \$1.9 Million estimated for total site costs with \$150,000 initial expense needed for final drawings, permits and fund raising costs.

3. Authorize the formation of a Building Committee

The Motion, *continued*

4. Authorized the Building Committee to proceed with the tasks prescribed in the UMC Book of Discipline for building projects, including:

- The initial surveys and planning necessary for the eventual design and implementation of the projects in the approved building program
- The development of an implementation and financial plan based on the outcome of the authorized Capital Campaign
- Keep the Church Council and subsequent Church Conferences informed of the status of the plans and projects and of any changes deemed necessary or desirable for financial or technical reasons. An additional church conference will be scheduled to approve final plans.
