

## **KUMC NOVEMBER 2018 Pastor Note & Calendar**

### **PASTOR'S NOTE – NOVEMBER 2018**

November brings with it a season of remembrance and gratitude as we honor the witness of those who have gone on before us to claim their crown of victory in heaven. We likewise honor those who have given their service to our country, some with their very lives, so that we can enjoy the privileges of a free society. On Thanksgiving Day with family and friends we give thanks to God for blessing our lives so that we may be a blessing to others.

Stewardship Sunday will be November 18<sup>th</sup> offering an opportunity to prayerfully consider giving generously to the ministry needs of the coming year. As Bishop Sandra Steiner Ball shared with us during our homecoming celebration this past month, we United Methodists are blessed to be able to minister to people not only in our own community, but with other UM churches to support nine mission outreach programs in our state and ministries that reach around the world.

This past month we were able to sell some property and employ some of the proceeds toward paying down more on our mortgage. We anticipate that by our homecoming next October we should be able to retire our debt and burn the note! In order to do so, we will need to be faithful in our giving not only toward that effort but also to our primary responsibility of supporting our general budget as well.

Generous giving is one of the hallmarks of our Christian discipleship. The benefit of intentionally budgeting our resources so that we can be generous to the needs of others helps shape our faith. Just as we know that we need to pray, worship, witness and serve, being good stewards of the resources with which God blesses us is essential to living out our faith.

May God bless us all abundantly so that we can be a great blessing to others as a witness of God's providential love for us!

Blessings,

Pastor Jim
