

First United Methodist Church, Forest City Christian Disciple Scholarship

The Scholarship Committee of First United Methodist Church, Forest City will award Christian Disciple Scholarships each year to recipients who have demonstrated Christian Discipleship in their Church activities, school activities, scholastic achievement and community life. These recipients should be persons who are in good academic standing and who plan to continue their education. The goal of this committee is to award scholarships each year, the amount dependent upon the funds available and the number of applicants. Recognizing that each person's faith journey is unique, every applicant is considered a person of worth and value and will be given due considerations. The Scholarship Committee will consider all applications, interview all applicants and determine the amount of scholarship awards at their discretion using a rating rubric (please see attached rubric).

Those eligible are any graduating seniors who are members and/or active participants of the programs and ministries of FUMC, Forest City. Recipients should exhibit regular participation in some phase of Church programming. As illustrated in the Rubric, this Christian Disciple Scholarship award is weighted heavily on Church involvement at FUMC. Community Involvement/Service, School Involvement, Academics and an interview are also factored into the rubric scoring.

The Chairperson of the Scholarship Committee and its members will be nominated by the Committee on Lay Leadership and approved by an act of the Church Conference. The term of service for committee members is three years. The Church Pastor and Program Director will be ex-officio members with full participation in the selection process, but without vote. One of the adult UMYF leaders, identified by the Lay Leadership Committee, shall serve as an ex-officio member, participating in the selection process, also without vote. Committee members who are relatives of an applicant will be asked to step aside for that year.

At the beginning of April, the Chairperson of the Scholarship Committee will make the application for this scholarship available in a fillable format on the Church Website: www.fumcforestcity.com. Applications must be filled out and emailed to the Church office by May 1 in order to be considered. Please save as a PDF and email to office@fumcforestcity.com. **NO LATE APPLICATIONS WILL BE ACCEPTED.** As instructed on the last page of the application, current transcripts must be received by the Church office before the May 1 deadline. The Church membership will be informed that the applications are available on the Church website. Notification will also be made in the monthly newsletter and in the Worship Bulletin. In addition, the Chairperson of the Scholarship Committee will notify each high school senior that is a member or active participant of First United Methodist Church, Forest City that the application is available. Furthermore, the Chairperson will set dates for meetings and for the interviews of applicants. The Chairperson will work with the committee to set award amounts, to notify recipients of award, to arrange for the Senior Sunday presentation of awards (during Worship) and to plan the Senior Reception (following Worship).

Funds for this award are made available by designated offerings and by the Church Endowment. The amount available varies from year to year. Amount of awards will be determined based on the funds available and number of applicants. A high, medium and low rating on the rubric will be used to determine the amount of each individual award. Funds are to be paid to the finance officer of the college/university/technical school where the recipient is attending, except in the case of special circumstances/special requests made to, reviewed and approved by the committee or Administrative Council. The Church Business Administrator will work with the recipient to arrange for the distribution of funds. Questions about this process should be directed to the Church Business Administrator. The committee recommends that the payments be divided equally between semesters or quarters, rather than disbursed in one lump sum. Funds are available for two years after they have been awarded. Unused funds will be transferred back into the Scholarship Fund and used towards future awards.
