## Overview

Coaches – Each week we will be sharing a part of a story called Creation to Christ. You have a copy of the whole story but we will only share a part of the story each week. The story has 12 Parts. Since we only have a limited number practices we will be combining a couple of the parts. Please be sure to teach the story each week and make sure you practice the story before you tell it. This is a life changing story!

## The Story

### The Most High God

I want to tell you a story. This story is from a book called the Bible. Men did not make up the Bible. It is the word of the Most High God. These stories are true and reliable because they are God's words. There is only one God, and He really is the Most High God. He is more powerful than any ancestor, person, government or false god that people worship. This story is true and reliable because it is the word of the Most High God.

### The Creator

The Most High God is the Creator. He existed before there was anything else. He created everything on earth and in heaven and is all powerful over everything. When God began to create things, He just used His words. He spoke and everything came to being. He created angels to worship and serve Him. They were very beautiful. He also created everything we can see -- the sky, land, water, mountains, oceans, sun, moon, stars, all plants and animals. Finally, He created man according to His image. God created man to enjoy all that He has created. God created everything and saw that it was good.

## Talk

After you tell the story talk to the kids about the lesson basics in the next column. Be sure they have a clear understanding about the Bible and that there is one true God and that he created everything.

but the Lord made the heavens.
