- **Frontier Health** – Fairview refers clients to Frontier Health for mental illness issues. Frontier Health refers clients to Fairview for long term recovery.
- **Catholic Charities** - Fairview refers clients to Catholic Charities for emergency and long term housing and Catholic Charities refers clients to Fairview for long term recovery.
- **Haven of Mercy** – Fairview refers potential clients to Heaven of Mercy for emergency shelter. The Heaven refers clients to Fairview for long term recovery.
- **REBOS** – AA, NA facilitators – Fairview requires clients to attend AA & NA meetings on a regular basis. REBOS refers attendees to Fairview for long term recovery.
- **American Legion** – The American Legion provides clothing & boots to Fairview clients.
- **Second Harvest Food Bank** – Fairview, as member agency, is able to purchase food from Second Harvest at 25% to 40% of retail price.
- **Summit Leadership Foundation** – Summit provides Fairview with blankets for Fairview's clients.
- **Eastern 8 CDC** – Fairview refers clients to E-8 for permanent rental housing and E-8 refers clients to Fairview for long term recovery.
- **Johnson City Area Home Builders Association** – Spearheaded a \$100,000 addition to the Manna House.
- **Various businesses** – EarthFare (daily food), Cannon's Furniture (donated over \$60,000 in beds and furniture in 2014 alone), Starbucks (coffee), One Acres Café (food), Bed Bath & Beyond (many store products), Good 360 (computer software), Lowes (many store products), Walmart (cash donations and many store products), Waste Management (annual cash donation)
- **Various churches** – Cash and in-kind donations.

### **Additional Community Partners for Bristol Lifestyle Recovery:**

- **The Bristol Salvation Army** – BLR plans to open a day center for emergency shelter individuals where they will have access to all services of BLR, including counseling, job training, employment search, etc. Shelter individuals will be bused to BLR each morning and back The Salvation Army each evening. This should help alleviate much of the Bristol homeless population during the day.
- **Haven of Rest Rescue Mission** – Same services as The Salvation Army.
- **Virginia Employment Commission** – Assistance with job skills, job placement, benefits.
- **Southwest Virginia Community Partners** – Assistance with medical needs for the Virginia residents.
- **Virginia Highlands Community College** – Interns from multiple curriculum plus on-site supervision.
- **Emory and Henry College** – Bonner Student program, interns from various curriculums.
- **Virginia Dept. of Human Services** – Benefits, assistance with care coordination.
- **Virginia Dept. Children’s Services** – Assistance with Foster care placement and family reintegration.
- **Hands and Feet Ministry** – Assistance with pre-release from Virginia state correctional facilities.
- **Probation and Parole** – State of Virginia and SW VA Regional Jail.
- **Virginia Dept. of Corrections** – Referrals, placement.
- **VA Cares** – Veteran Benefit Assistance.
- **Social Security** – Assistance with benefits, reinstating of benefits.
- **Cecil’s Market** – Donations of fresh produce.
- **Second Harvest Food Bank** – Provide low-cost food for BLR residents.
- **Highlands Re-entry Council** – Partnerships and a working group to address issues.
- **Highlands Substance Abuse Council** – Assistance with programming, family reintegration and children’s drug prevention services.
- **Sullivan County Anti-Drug Task Force** – Interaction with members of the Task Force to help reduce addiction issues.
- [Bristol Regional Medical Center](#) and [HealthSouth Corp](#) – BLR will refer residents and/or applicants that need outpatient addiction services as opposed to longer term residential recovery.
- Several Virginia housing authorities from the “Little 10” will assist low income graduates with housing vouchers, or other types of housing subsidy.
- **The ETSU Prescription Drug Abuse and Misuse Working Group** – This research group will measure and verify outcomes, or progress, of each resident. Outcomes will be published in a national medical journal. This group also provides networking to many local agencies, county mayors, etc., regarding addiction.
- **The Niswonger Children’s Hospital** – Working with many medical doctors specializing in addiction of pregnant women, BLR will provide transitional housing to pregnant women to prevent babies born with addiction. This program will be designed and overseen by Dr. Steve Loyd, Chief of Medicine at the Mountain Home VA Medical Center. Dr. Loyd is an leading national addiction specialist and works closely with The Niswonger Children’s Hospital.
- Many churches and civic organizations have come forward to offer assistance with BLR.
- As we move closer to opening, these and many other organizations, groups, and collaboratives will assist BLR in assuring the needs of our residents have been met and will continue to be met as residents launch into society.
