

The Prophetic Imagination of Jeremiah

Thursday Mornings 9:30 am in the Conference Room

Of all of the Old Testament prophets, the words of Jeremiah give more insight into both the personality and person of the prophet than any other. He was a prophet of wrath who lived in an age of wrath; and when he grieved, he was never hesitant to invite God into that grief with pleading and complaint. Please join us as we will begin our Bible Study on a prophet in whom we may see a bit of our own grieving selves.
