"50 Most Difficult Chapters" Bible Study

Have you ever been reading your Bible and came across a chapter that didn't make sense? You may have consulted a commentary or looked for answers on-line, but a clear understanding was not to be found. Come join us for an in-depth analysis of the "50 Most Difficult Chapters" in the Bible. We will meet in the Library from 9:30am-11:30am each Tuesday, for the entire 2018 calendar year. Bring your Bibles, a notepad, and questions as we examine these hard-to-understand chapters.

Holy Trinity Day School

How long has it been since you visited your Day School? Would you be surprised to know that we have 88 children enrolled? Just looking at these little faces will make you smile, and if you just notice them with a smile or greeting, you have made a true friend. They just love to say "Hi" and wave to "big people". Holy Trinity Day School is one of Holy Trinity's Missions and we are looking at setting up a Volunteer Program for our Church Members who are interested in coming in to either hold and feed babies or read stories to the older children. You can come once or on a regular basis and the times can be flexible depending on what you would like to do. If any of you have a desire to cuddle and feed little babies, or read stories to the 2-5 year olds, please call Amanda Iacovino at 210-569-9224. Once we have a feel for how many would like to participate, we will be able to set up a schedule.

Your Day School Advisory Committee

Habitat for Humanity

Join the Holy Trinity Habitat Crew for 2018 and be part of the San Antonio Cluster of Presbyterians working together to build another Habitat House. Our MOE Team will be recruiting workers for the next two Sundays in the Family Room after each Worship Service. We're targeting Saturday, March 17 as our primary work date, but a great response may open up other work dates for a second crew from HTPC. You're guaranteed a fun and inspiring experience with folks from several of our sister churches, and a delicious lunch of pulled pork sandwiches and sides prepared by HTPC's Habitat Cooking Crew. So, be sure and sign up you'll be glad

you did!

Sound Board and Audio/Visual Operators Needed

Would you like to participate in worship, but aren't sure how you can help? Worship & Music Committee is recruiting volunteers to run the A/V system during worship and sometimes for special programs. This includes using the computer to project announcements, pictures, videos, etc. onto the screen during worship. We've been without this aspect of worship for almost a year. Training will be provided.

We will also be making some much-needed improvements to the sound system in the next few weeks. The company that is working on the sound board will offer training to experienced and new sound board operators on proper use of the equipment in a variety of situations. If you would like to be part of this important ministry that is so vital to the HTPC worship experience, please contact James Miksch (210-861-9788 or jmiksch@att.net) or the church office (210-654-3411).
