Keeping Up With Our Kids

Samuel and Jonathan were both on the cross-country team this fall and Melissa played volleyball. Samuel qualified for the regional meet — having placed 15th in their district with a personal best time of 18:07 for the 5K course. Jonathan placed 28th at the district meet with a personal best time of 19:27. Samuel placed 36th out of 136 runners at the regional meet (right). Both boys have worked hard and have shown improvement throughout the season. We are so proud of all our kids!

Thankfulness....

*We are so **thankful** for each one of you and for how you are a part of our lives. We love being able to reconnect with friends and family here, after having been away for so long. You all mean so much to us.*

*We are **thankful** that God led us to an orthodontist for Jonathan who is willing to work with us to get his treatment done (or nearly done) in one year.*

*We are **thankful** that all of our children are settling into school so well.*

*We are **thankful** for our teammates in Papua New Guinea, who are continuing to encourage the Adzera translators in our absence, and for the work that is being done in the Markham Multi-Language Project.*

*We are **thankful** for how God loves us and continues to work in our lives, lovingly chipping away at rough edges and showing us how to live lives that bring glory to Himself.*

*We are **thankful** for Jesus, the Son of God, who shed His blood for us, and for the salvation that He has freely given to us.*

Much love to you all,

Susan & David and family
