Sharper Than A Two - Edged Sword

Friends of ours, David & Susan Howard, translators in Papua New Guinea, recently shared this story with us about the people group they are working with. Recently the Adzera Language Committee met for their retreat. As they began, they spent time in worship and a devotional from 1 John. As the newly finished draft of the passage from 1 John was read in Adzera, there was a stillness as the Adzera committee members heard God's Word in their own language. As soon as the reading was completed, quiet murmurings were heard around the room. "Susan", an Adzera woman said, "Tokples i go insait tru. I sutim bel." -'Our own language goes deep inside. It pierces the soul.' Peter also echoed this sentiment saying, "Taim Tok i kamap long tokples, em i sutim bel bilong yumi." 'When the Word is in our own language, it pierces our souls.'

God's Word in Adzera - Powerful. Meaningful. Sweet!

Harmon Takeover!

This summer 2 more of the Harmons started working at Wycliffe! First, Trent started work as a volunteer for the summer in the maintenance department. Trent was actually the first person ever to be issued a *Wycliffe Volunteer* badge!

Next, Kari was looking for a summer job in Parrish with no success. We encouraged her to apply for a summer job at Wycliffe and she was hired! She is working in Prayer Ministries as a content writer for the publication *The Finish Line*.

So the new joke around the office is of course.... 'The Harmon Takeover'.

Wycliffe Volunteers

Wycliffe is expanding their avenues for inviting people to join the Bible Translation movement. One of the ways is through our new Volunteer Program. Our primary goal is to fill limited term support positions around the globe with high quality volunteers. Besides managing Internships, Scott has been asked to lead a team of 15 Missionaries as they communicate with Wycliffe sites around the world, find their on-site needs and then send volunteers to serve. This is a HUGE undertaking to manage, but knowing that the more people we can mobilize, the faster Bible Translation will be completed! Please pray for Scott, for Wisdom in this transition.

Susan is approaching week 5 of the Summer Internship program. As Orlando Site Coordinator, she is leading classes, meetings and organizing community events and service projects. Pray for Susan, that she will Lead well.

The Interns are here!

The summer interns have arrived at 5 different sites - 22 in all. With us in Orlando we have 6 girls - Sarah, Ivy, Julie, Alisa, Olivia & Ana. They are pictured here with Bob Creson the President of Wycliffe USA. We are excited to see what they will do for God & Wycliffe. Please keep them & us in your prayers.

Alisha's Adventure

At the end of May, Alisha spent 10 days in Taipei, Taiwan serving with Envision at a coffee house ministry. She fell in love with the country and the ministry and is actively pursuing going back to serve for a year (or more). Please keep her in your prayers as she seeks God's timing in all of this, and as she will have to raise her support.

Our Partner Needs

We will be taking 2 weeks off in August to talk with potential partners in ministry & focusing on raising support that we are lacking. We will stay in the Parrish area. We would love to meet with any couples, small groups, churches & share what God is doing around the Globe and then inviting them to join us. If you know of any of the above - contact us!

Some of you have asked where we are in our monthly support. Our number has fluctuated over the past couple months, but currently we are at 86% of our monthly goal.

We are in need of just over 500\$ per month. God willing, we will gain some financial & prayer partners by the end of this fall.
