*September 2017 - November 2017*

It is with great joy that we report of Reginaldo's conversion to Jesus Christ. One of our congregation members began to bring him to church because they were childhood neighbors and friends in São Paulo. Not long ago they met up with each other again here in the area, many years later and 2,381 kilometers from where they grew up! A few weeks ago after a simple invitation after the preaching at church, Reginaldo raised his hand indicating his desire to be saved. He has been growing in the Lord and I began a Bible study with him on Monday mornings this past Monday.

I had taken a couple of nice pictures of the two of us at our Bible study, but somehow deleted them off my cell phone accidentally!

Children's Day cook-out on Oct. 12 w/ many unsaved present!

I will try to send out more photos of this event in an e-mail update.

Below you will see on the left a picture of me and Alexandre. He is unsaved and I do a Bible study with him in English on Thursday mornings. The picture was taken just a couple of weeks ago at a city wide men's event in which we took 9 men, two of which were unsaved. The picture to the right is of me with Pablo and his brother Paulo with whom I have a Bible study on Saturday mornings. Pablo on the left in the picture is a new believer, but his brother is not a believer.

In September our camp hosted a couples' retreat. Jenny worked in the kitchen and I stayed home with the girls. My brother Jeff and Jared Malcolm have worked hard to get the camp to the point where we are now able to begin to host more events out there. We are so very thankful for Jared's ministry with us over the past few years, but he has now returned the U.S. to pursue what God now has for him and his wife Grace. More to come about camp as well!

If you do not receive our in-between e-mail updates, please e-mail us at [jondreiner@gmail.com](mailto:jondreiner@gmail.com) and request to be added to that list. This is important because as of next year we will be sending out these snail mail prayer letters only once every six months for various reasons.

Gratefully...
