Special Love Offering

On Sunday, August, 5th we will be taking up a Special Love Offering for Farrell's Wife, Gloria's Medical Expenses. Thank you for your Generosity in advance.

Update and Prayer Request

Gloria and I would like to thank everyone for their prayers and the support that poured in last week. We made it to Managua for the surgery without any problems and Gloria was taken back to surgery at 1:00 pm. The surgery lasted for about two hours. After the surgery, the doctor came and shared that he removed the left side of her thyroid gland. He said that he was 80% sure that it was cancerous, but we wouldn't know anything definite until they complete the pathology which will take about ten days. He said that Gloria did great and everything else looked good.

Gloria was released from the hospital on Saturday. She is at home recovering and wants me to express to you her thanks for lifting her up in prayer. Gloria is remaining strong. She says that God did not bring our lives together for just a temporary season but for many years to come. I like the way that sounds and I stand in agreement with her for our future.

We ask you to pray with us while Gloria continues to recover and to pray that we will receive a good report when we return to the doctor. We also ask you to join us in prayer for an unspoken request. Thank you all for your prayers and support. Most of all, we thank our God for His faithfulness and love during the hard times of life that knock us down. God is worthy of all praise and Glory, blessed be His name.
