**Bethel**  
church  
here, you are loved!

Hello Bethel family!

I am excited to be counting down the days until I can see many of you again at our first drive-in service June 7<sup>th</sup>. Next week, I will send more details about our drive-in services and what that process will look like. It will be nice to all be in the same location worshipping together at the same time! I have been praying that God will use these past several weeks to build within us a great love for Jesus, the Gospel, our world, our community, and one another as a church family.

God has been stirring my heart in one area in particular...PRAYER. God has burdened my heart that we all need to prioritize prayer as a church. I put together a "Strategic Prayer Guide" as a resource to begin this process. We emailed it to everyone yesterday and sent it in the mail for some who do not have internet. If you did not receive a copy, please call the church office and let us know.

Next Friday, June 5<sup>th</sup>, will be a special day set aside for prayer and fasting. I included more details in the prayer guide. I think having a day set aside to focus on praying will begin to prepare us for God to do big things as we begin taking the steps toward meeting together again.

If you have any questions or needs, please send me an email, text, or give me a call. I can't wait to see all of your smiling faces again next weekend!

I love you!
