**Bethel**  
church  
here, you are loved!

Hello Bethel family!

We'll wrap up our mini-trip through Psalm 19 today, where we have seen the vital role of God's Word in the lives of believers. Verse 11 provides another description of Scripture, (God's decrees). It says, "moreover, by them is your servant warned; in keeping them there is great reward".

When I read this verse, it reminds me of a lighthouse. Historically, lighthouses have served as a warning beacon for ships during stormy weather. If you were captaining a boat in the middle of a storm it would probably be a good idea to pay close attention to the lighthouse. It is there to steer you away from trouble and navigate through peril. It is there to keep you safe. God's Word is the same way! Scripture helps Christians establish the best path of direction for daily living. Notice at the end of vs. 11 that following God's Word brings great reward! Just like a lighthouse though, the Bible doesn't do much good if is ignored. God wants to guide you through His Word...follow it and be blessed!

Be sure to call me if you need me. I love you!

Pastor Brian
