Missions Challenge

Let's see how many Jars we can fill!!!

Hello Bethel family!

There are many things in life that we guard or protect. Here are some of the things that I try to guard. I always do my best to guard my family. I know that I cannot always be with them, but when I am, I always try to "be on guard" for their protection and safety. I always try to guard our house. I like to be aware anytime we get a delivery or someone is in the driveway. I also try to guard my time. Over the years I have learned that time is valuable and I need to guard it so I can use it wisely. As a Pastor, I try to guard our church. Scripture likens it to a shepherd watching over sheep.

We all guard things in our lives. You probably have some different things compared to me and vice versa. Scripture reminds us of something else that ALL of us should guard. Proverbs 4:23 says, "keep your heart with all vigilance, for from it flow the springs of life." I have to remind myself how important it is to guard my heart and affections. Our heart is like the steering wheel of a car...it controls the overall direction of our life. I encourage you to be careful in what things you allow to steer your heart. Be sure to guard it! The course of your life may depend on it.

Be sure to call me if you need me. I love you!

Pastor Brian
