PLANNING TO RESUME GATHERINGS

Beginning in June, congregational leaders will be working to develop a state-required COVID-19 Preparedness Plan. This health safety document will establish practices and protocols for MFLC to reduce the risk of coronavirus infection for our staff, ministry volunteers, and all people who wish to gather for services or meetings in the church.

Rhonda Schmelzer has agreed to be the plan administrator and will be consulting with others to develop and implement this plan. It is the goal or intent of the Congregation Council to resume in-person worship services in July if the plan is completed. More information on this subject will be shared following the next council meeting on July 1.

FATHER'S DAY PRAYER

Dear heavenly Father, we approach you today on behalf of our fathers. We thank you for the way you have knitted families together, giving the biblical instruction, that fathers are the head of the home. Help fathers to be obedient to Your structure and Your order so that our children will not suffer.

Lord we pray especially for our fathers and we commit them to You. God will you help them to lead and guide their families; will you give them supernatural strength to deal with the challenges that they may face on a day to day basis? Empower them to be all that You have called them to be, fulfilling their God given purpose. Father we thank you for answering this prayer and we trust in Your peace that surpasses all understanding. Amen.

Our Mission Statement!

We, the family of Mabel First Lutheran Church, will constantly strive to be a place for all to come together to worship and learn in peace and harmony in a spirit of forgiveness to further the Kingdom of God.
